

# KILHAM NEWS

Your Village—Your Voice

## AUGUST & SEPTEMBER 2015

### Welcome to the Kilham Newsletter -

You might notice something a bit different about this edition of the newsletter. For the first time ever, we have included adverts from local businesses to promote their services and trades to the village.

The decision to go down this route was not an easy one, and the Parish Council have thought carefully over the issue, but have finally decided that it is an important priority for the Council to support and encourage our local economy. And especially to promote the talents and services that we have available on our doorstep.

This opportunity to promote our businesses to each other is open to everyone who lives in Kilham and is a regular recipient of the newsletter. We hope that as many local tradespeople and business owners as possible will take advantage of this new route to promoting themselves and feel sure that all readers of the newsletter will really appreciate knowing what local skills and services we have in our own village to call upon.

We hope you like this new format and if you do contact any of the businesses that have advertised in this edition, please let them know where you got their details from. It would be really great if we could support each other in this way. The newsletter is still mainly for sharing community and village news, but with the added bonus of knowing what great local services we can use when we need them.

**For any information to be included in the next issue, or information on how to advertise your business— please contact:**

## Kilham Beer Festival 4<sup>th</sup> & 5<sup>th</sup> September

Last year you managed to consume a staggering

**2952 pints of real ale**

**542 pints of real cider**

**400 bottles of cider**

**1000 bottles of lager**

**40 bottles of wine**

**& 36 bottles of pimm's!**

From everyone at kilham beer festival we would like to thank you for your ongoing support (and thirst!).

This year the gates will open to the public at 6pm on Friday and 12 noon on Saturday. The format will be the same as in previous years with a mixture of local bands entertaining you over the weekend.

We are pleased to announce that the headline bands are Big Me on Friday and Snatch on Saturday. The Flivers and Moonshine Men will also be playing, adding some folk music to the proceedings. A full list of bands can be found on the website - [kilhamplayingfield.co.uk](http://kilhamplayingfield.co.uk)

We will have bouncy castles, side stalls and Captain Kipper on the field during Saturday to entertain the kids.

Due to the success of the event in previous years, we will be offering even more choice on the types of beers and ciders available, so there should be something for everyone to try over the weekend.

Sponsorship packages are available for Beers and Cider on the day.

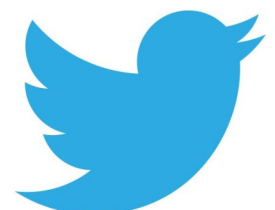

The event will once again be raising money for the upkeep of the playingfield and the continued work on the All Weather Pitch. If you would be interested in volunteering in any capacity over the weekend, please contact the organisers, Steve Greaves, Daffyd Baker, Dave Sheader 420777.

In a change to previous years, no U18's will be admitted to the event unless accompanied by an adult who will be responsible for them whilst at the event.

The Beer Festival is now our main fund Raising event in the year and I would thank you in advance for your patience and understanding over the weekend.

Also there will be a Rag and Bone collection in September, so look out for the leaflets through your door confirming the date.

## Kilham Parish Council News

Kilham Parish Council has a vacancy for a councillor. Are you interested in local issues which affect people, the local environment and quality of life? If so then contact the Parish Clerk on 07527 353717 or email [Claire.boston@tiscali.co.uk](mailto:Claire.boston@tiscali.co.uk) for further information.

Following extensive work the footpath at All Saints Church has been completed. The footpath has had its top surface renewed at the beginning of July and golden gravel was applied to help with visibility. We wish to thank the public for their patience whilst the work was being carried out.

An allotment plot on Back Lane is now available to rent for an annual sum of £25.00. If you are interested please contact the Clerk for further details.

Don't forget to visit the Parishes website [www.kilhamparishcouncil.com](http://www.kilhamparishcouncil.com) which contains all the information relating to the Parish Council and a list of useful contact numbers, past newsletters and a link to contact the clerk.

**Non-emergency help-line: 101**

In the last edition of the Kilham News we announced that we had been able to secure funding to help towards providing security for our homes, garages and outbuildings in the village. This is available for anybody and is not income based. Several of the surrounding villages have been active in taking up the offer, but so far nobody has responded from Kilham. It would be a shame for none of us to get the benefit from this as its not often you get something for free.

So whatever you think you could use to make your homes and garages more secure, please get in touch on the above number for more information-

**If we don't use it we will lose it.**

Just a final reminder to all—there have been some incidents involving cold callers in the area—trying to sell goods on the doorstep. Please be careful and do not open the door if you feel unsafe, or intimidated.

# Kilham Dancers

The June and July speakers were both very interesting and informative. In June we were taken to Mongolia by Hazel Armstrong when she told us of her adventures there with Operation Raleigh. Margaret Knapton talked to us in July and explained that Traidcraft is fighting poverty through trade and how we can all do our bit to help. In the last couple of months we have enjoyed walks in Bempton and Thornton le Dale and a very pleasant visit to Yorkshire Lavender. The two ladies who attended the Royal Garden Party had a wonderful day. The threatened

rain gave way to fine but windy weather and several hats were chased across the lawn. This did not stop anyone having a good day and seeing the Duchess of Cornwall, Countess of Wessex, Duchess of Gloucester and Princess Alexandra. Several of us went to see the live transmission at Cineworld of the Centenary AGM in The Albert Hall. If anyone gets the opportunity to see a live transmission of an event I can recommend going. It felt as though we were there and did not feel odd joining in the singing or applause.

As we do not have a meeting in August the next meeting will be 8<sup>th</sup> September when Tophill Low Warden Richard Hampshire will talk on "The Hidden Valley". The competition is - Your own wildlife photograph.

Kilham WI meets the 2nd Tuesday of the month in the Village Hall at 7.15pm. There is a walk in a different location every month and we usually have a social event too.

**Everyone very welcome.**

## A word from Reverend James (our new curate)

Hello, my name is James Trowsdale and after my ordination in York Minster on 5<sup>th</sup> July I am looking forward to serving the community of Kilham as curate.

My wife; Gillian, and sons George and Jonathan have just moved to live in Burton Agnes and returning to the East Riding is a bit of a home-coming for us as Gillian grew up in Weaverthorpe and me in Driffield. Some of you who know Driffield may recall my late father, Arthur, who was a milk rounds-man, and my late mother, June, who was a seamstress for Alec Hall. Both were Methodists but my mother chose to have me baptized in the Anglican Church at Hutton, and that stuck with me all my life!

I served as a Reader in the Driffield and Bridlington areas in the 1980's and after a brief spell in the Whitby area moved back to live in Ganton 10 years ago, where I again served as Reader. It was during this period, after taking partial early retirement from my employment in the Jobcentre that I decided to enter training for ordination. After being recommended for training I was offered a place on the Yorkshire Ministry Course, based at the College of the Resurrection at Mirfield. If anyone would like to visit a truly Spirit-filled place I would recommend it!

During the two years training I was fortunate to have as my mentor, Revd. Glyn Owen and it was a great joy for me that the opportunity to join his team arose and was agreed by Bishop Richard.

That brings us up to date. Over the coming weeks and months I am looking forward to meeting all of you in this lovely community.

Revd James Trowsdale

The Old Star Kilham is a traditional country pub in the heart of the Yorkshire Wolds and the local community.

Real Ales and freshly prepared meals using only local produce are always on the menu. Our log burners and open fires throughout the pub make for a warm welcome even on the coldest of winter nights, and our sunny beer garden is a great place to spend a lovely summer evening with the kids.

Be it walkers, bike riders or families we can always guarantee a friendly welcome, a choice of great beers, amazing food and great company. What more could you want from your local?

Booking is advised if you wish to experience our ever changing menu, as the Old Star is becoming a very popular local eatery. Visit our website for our menus and upcoming events, contact us through Facebook to book or leave feedback, which is always greatly appreciated or call us on 01262 420619
