SANTA IS COMING TO KILHAM

December 6th is Santa Sunday!

Santa and his helpers will be going around the village from
12pm– 4pm on Sunday 6th December

There will be plenty of festive fun at the village hall from 12pm-4pm. There will be lots of stalls with plenty of Christmas gifts as well as an amazing Santa's Grotto. Entry is £2 per person, which includes a visit to Santa for all the children and a drink and mince pie for the adults.

As usual we will be having a Christmas raffle with some great prizes. All the children from school have raffle tickets to sell to friends and family, or you can buy tickets by contacting Gill—420960 . The price is £1 per strip—so please support us by buying as many as you can, all proceeds go towards school trips, and activities which will enhance our children's education.

The raffle will be drawn at 4pm in the village hall before the Christmas tree lights are switched on at 4.30pm when we all join together for carols.

Thank you so much for your help and support and the Kilham School Parents, Teachers and Friends Association would like to take this opportunity to wish all of our friends and neighbours a very happy Christmas and best wishes for 2016!

Kilham Church of England Primary School

"From the school"

We have had a busy term here at school since September. We have focussed on the Christian values of 'Generosity' and 'Compassion' in our assemblies and the children have tried to live out these values by noticing the needs of others and doing what they can to help.

Each year, our eldest children (Year 6) run a coffee and cake afternoon in aid of Macmillan Cancer Support - this year the event was very well attended and raised over £500. The children organised everything themselves, from advertising to serving the tea and cake.

Our Harvest Worship, held in October, was called 'Harvest Rock' and we tried to teach our children about those in need locally and globally. Thanks to generous donations from parents and friends of the school, we were able to send a super collection of food to Drifffield Foodbank, as well as raising over £120 for a cause in Malawi, Africa, to provide safe cooking facilities for a village. More recently, we have also enjoyed 'Children in Need' day and been learning about the need for mosquito nets in Nigeria.

Congratulations to the Year 5 & 6 football team, who won the East Riding Small School's Football tournament in November at South Hunsley. The boys played incredibly well, scored lots of goals and have now got through to the next final, which takes place in Grimsby on November 20th. Well done boys! They might want to carry on wearing the new lucky red 'away' kit!

Every year we take pride in being involved with Remembrance on Armistice Day in Kilham. Our Year 6 children attended the memorial at All Saints' Church and, as we do each year, we planted Remembrance crosses and poppies and laid a wreath in respect of those from the area who gave their lives.

As Headteacher, seeing the children pay their respects and conduct themselves in a sensitive, mature way on such occasions always makes me proud. Thank you, as always, to everyone for your support of our work this term - the coffee afternoon, Church services and PTFA events all help to bring the wider school community together.

As I always seem to say at this time of year, rehearsals for Christmas plays and performances are already underway here at school! The run up to Christmas is a special time to be in school.. Below are diary dates for our Christmas events; tickets for performances will be available from the school office.

On behalf of everyone at school, I would like to take this opportunity to offer very best wishes to everyone involved with the school and village community.

Cold callers are still being a nuisance in Kilham, they are either knocking on doors or telephoning. Please read the article in this newsletter from Humberside Police concerning how to deal with them. We must all be very firm and tell them NO!

Poaching is currently very active, so please ring 101 if you suspect they are in our area, and if you see them in action—call 999.

Have a safe and happy Christmas. Watch out for your neighbour if they are elderly or can't get about very easily. See you in the new year. Please contact me on the above number if you need me.

MESSAGE FROM HUMBERSIDE POLICE:
Beware of Bogus Callers and Telephone Scams!

Bogus Callers

Most people who come to your door may be genuine callers, but sometimes, you can't be sure and so you need to "think security" before opening your door to them!

Bogus callers can be very persuasive people: they very often prey on the elderly or vulnerable. They can claim to be from the local authority, health services, gas, electric or water companies, or simply claim to be trades people calling to carry out repairs. Sometimes they can even pretend to be from the police!

So we all need to beware!

Here's some simple advice when somebody knocks on your door or rings your doorbell:

- Look to see who it is outside before opening up.
- Fit a chain on your door so you can open your door to talk to people with the chain engaged.
- Always lock your doors. Sometimes bogus officials work in pairs, and whilst you're distracted at the front door, another may be coming through your back door!
- Check the caller's identity before you let them in. If in doubt shut the door and call the company or organisation they represent. Remember to use the phone book, not the number on their identity card! If the person is genuine, they'll understand and wait.
- If still in doubt, ask the caller to leave and tell them to write and make an appointment so that someone else can be with you.

If in doubt—don't let them in!

In addition to bogus callers, 'cold callers' are another problem, particularly in the spring and summer months when people turn up unannounced asking if you want your trees pruning, your guttering mending/cleaning and so on. Whilst some do operate legitimately, other take advantage, do shoddy work and then charge exorbitant amounts in payment. If payment is refused they can become intimidating. The simple solution is to say "**NO THANKS**".

Telephone/Cold Call Scams

The 'cold call' scams typically involve fraudsters deceiving victims into believing they are speaking to a police officer, a member of bank staff, or a representative of another trusted organisation, such as a computer company in order to steal money.

Always be on your guard if you receive a cold call and are asked for any of the following:

- Personal or financial information, eg full name, date of birth, address, passwords, bank details, security numbers etc.
- You are asked to transfer or withdraw money.

By the time you read this the world will be getting ready for Christmas. I love the build up: the season of Advent. It's a season of expectation and preparation as the Church looks forward to the birth of Christ. Advent falls at the darkest time of the year and the natural symbols of darkness and light work so powerfully through Advent and Christmas. I still get excited at the progressive lighting of the candles on the Advent wreath in church each Sunday!

Something to help us all get ready for Jesus' coming will be the lively school Nativity and Carol service (thank you school for the life and joy you bring to our church and village). Christmas Eve will be a big night for us too. At 5pm there will be our 'Crib-tingle' service. It will be a mixture of dressing the crib with Christmas characters and creatures and giving everyone a Christingle. (more light and darkness!). If you want to dress up as a nativity character that would be great (angels, kings, shepherds, donkeys etc all welcome). When all the children are fast asleep there will be our midnight Holy Communion. It's past my bedtime but I love it and find that service one of the most special of

the year. It's the finale of our celebration and reminder of the central Christian truth of; 'the word becoming flesh and dwelling among us' (John 1.14).

Have a very merry and blessed Christmas, Glyn

Kilham Playing Fields Association

If anyone is interested in helping or volunteering with KPFA, please contact Dave Sheader on 420777

A huge thank you to everyone who has supported KPFA in 2015.

The Beer Festival was once again an amazing success and we are now looking forward to putting on the event in 2016—which will be bigger and better than ever!

The Bonfire, (once it was alight) —roared into life and was the perfect back drop for the fireworks display. Once again Ronnie Tate and John Young provided us all with a spectacular display helped by Dave Stork and Richard Baker. This year saw an really good turn out from the village and thank you to everyone for coming and supporting the KPFA.

The food at the bonfire was provided by Kilham PTFA, with money being raised going towards school trips and activities to benefit our children.

We are pleased to announce that KPFA raised £500 at the bonfire after costs. Please look out for our updates in the news letter for 2016.

Our October meeting was a continuation of Tophill Low Warden Richard Hampshire's talk on "The Hidden Valley".

The photographs of the wildlife at Tophill Low were stunning. The walk was at Londesborough and the social outing was to Filey Museum. This small museum is well worth a visit as is the fish and chip shop round the corner. Also in October was the WI Federation Meeting in Beverley. Several of us attended and had a lovely day with two interesting speakers and a delicious lunch. At this meeting Kilham WI was awarded the Barbara Ashwin Rose Bowl for contributing the most to the community during the year. The following week we were at Rudston for the Group Rally. The theme was black and gold and again we had a good time. The entertainment and the food were excellent and the icing on the cake was that the Kilham competition entry won first prize.

Unfortunately the advertised November speaker had to cancel but our speaker finder quickly found an excellent substitute in Jeanette Cawkwell who taught us how to make a fir cone Christmas decoration. The walk was going to be in Howden but had to be postponed because of the weather. Instead we walked in Driffield and then had lunch in Cranswick. Our social event for November was a visit to the Spa at Bridlington for a double bill at the cinema with lunch in-between.

At the December meeting Ron Mawer from Roanne Nurseries is giving a demonstration on Christmas wreaths and bulbs.

The talk in January is entitled "Being a Calendar Girl" and Nicola Henderson shares stories of her involvement in the stage version of Calendar Girls.

Kilham WI meets the 2nd Tuesday of the month in the Village Hall at 7.15pm. There is a walk in a different location every month and we usually have a social event too.

Everyone very welcome. For more information ring 421484 or 420105
