

KILHAM NEWS

Your Village—Your Voice

OCTOBER & NOVEMBER 2015

Welcome to the Kilham Newsletter -

The Autumn nights are drawing in now and there's a definite nip to the air. But we've got a lot to look forward to over the next couple of months. The village bonfire is due to be held on Friday 6th November, and following on from the huge success of the beer festival again this year, the Kilham Playing Fields Association are certainly keeping busy to ensure the superb facilities are getting better and better each year. So it would be great if as many people as possible can support the event and enjoy the amazing firework display that we see every year.

There are many more community events taking place in October and November, and more details are in the newsletter. If you run a community group or are fundraising for a good cause, why don't you email or ring with the details and let the whole village know about it and support you.

The feedback from the last edition of the newsletter has been tremendous. All the business adverts have been really successful, and one advert has generated over fifteen new customers for one local business. If you run a business in Kilham, get in touch—don't miss out on this opportunity to work with, and for our community.

For any information to be included in the next issue, or information on how to advertise your business— please contact:

Kilham Church of England Primary School

(Mr S England 01262 420214)

"From the school"

Here at school we have been back for 2 weeks (at the time of writing) and our new school year has started really well.

After saying goodbye to 15 children in July who were moving onto secondary school, we have welcomed a total of 18 full-time new-starters, as well as another new group of children into nursery. Everybody is getting used to new classrooms and new teachers and everyone is making new friends.

We officially welcomed our new starters with what is now our traditional September Church service, when our oldest children shared their 'Recipe for a Happy School', our Year 4 & 5 pupils shared their thoughts on changes that had happened since they were new starters themselves, and a blessing was shared by Rev. Owen.

Our oldest children (Year 6) have had an incredibly busy September. They have been preparing for a Macmillan coffee afternoon which they will have run themselves in September, and were also chosen by the BBC to be involved in a cookery programme to be shown near Christmas - an exciting day's filming took place! The children got to see how sprouts were grown, picked and packed, and then got to try out a variety of tasty recipes in a farmhouse kitchen!

We are now preparing for our Harvest Service, where we will give thanks for the harvest and aim to make contributions to the Driffield Food Bank and a global cause.

There are already several activities planned for this autumn term to look forward to:

Kilham Playing Fields Association

We will be holding the village bonfire on

Friday 6th November

at the playing field. Hopefully the weather will be kinder to us than last year, when the rain nearly closed the event. The Bonfire will be lit at 6.30pm, with Fireworks around 7.00pm.

The Field will be open on Saturday 31st October (9am till 1pm) for any burnable rubbish you may wish to get rid of.

The Beer Festival continued to surprise us all with its popularity. Increased attendances on both Friday and Saturday night made the event a great success and even the late withdrawal of our main band on Saturday didn't appear to dampen the spirits of those attending.

I must thank all the volunteers who organised and helped in the setting up and running of the event which is all done for KPFA Funds. A massive thanks must also go to everyone in the village for your patience and understanding during the weekend.

If anyone is interested in helping or volunteering with KPFA, please contact Dave Sheader on 420777

Non-emergency help-line: 101

Just a reminder to all—you can still get a free security check for your home by asking the Parish Clerk to make an appointment for you. Several of our local residents have taken up this opportunity and are really happy with what has been done in their homes to make them safe and secure.

We are still getting cold callers in the village—some of these have turned out to be quite abusive. It is entirely up to each individual whether they partake in buying items from door sellers—but you should not be intimidated into spending your money. Please ring me on the above number if you have any concerns or call the non-emergency help-line if you need to.

Please keep an eye out for elderly or frail neighbours if you see these cold-callers in the area. Anita Harrison

THE
HAEMOPHILIA
SOCIETY

UPDATE ON THE KILHAM ALLSTARS RIDELONDON 100

We are absolutely brimming with pride at the amount we have managed to raise as a team for the haemophilia society. We set off with a scary target of £2000 which we had to raise for the boys to take part. 'Yiikkkesss' we thought but with the fantastic support from family, friends and the amazing community we live in we have raised a

MASSIVE GRAND TOTAL of £4597.40.

The Haemophilia Society do a fantastic job but get little recognition but as a society close to our hearts with Aaron and Zac Edson both suffering with the condition we are overwhelmed with the response we have had with everybody's support.

Massive thanks must go out to the three KILHAM ALL STARS, Gary Edson, Ian Wilson and Dave Sheader for their commitment and the long hours of training they put in in order to be able to complete the 100 mile challenge they foolishly agreed to do after a Friday night drink in the local! They did amazingly well and we are so proud of them. They set a target time to complete the 100 mile challenge of between 7 & 8 hours but with continued commitment and dedication on a very hot day setting off from the accommodation at 6am they all smashed the target and completed the ride in 6 hours and 34 minutes! Well Done.

But it doesn't stop here—we have just heard the Jake Sheader has signed up to do London marathon on the 24th April 2016 for same cause so the fundraising for that will start now....more details will be in the next newsletter. For more information on how you can support us please contact:

We did not have a meeting in August but did have a social outing to Kirkham Priory. It was a beautiful sunny day and after a very interesting tour of the ruins we had an excellent pub lunch. The previous day the walking group were due to walk at Watton but the weather was dreadful so we had afternoon tea instead. The September walk was along the cliff top at Sewerby with striking views of the coast.

On 8th September Tophill Low Warden Richard Hampshire gave the first half of his very interesting talk on "The Hidden Valley" explaining how Tophill Low came into being and telling us about some of his early life too. The September social event was an afternoon tea celebrating the 100 anniversary of the WI. We were joined by ladies from other WIs in the area and enjoyed a superb range of sandwiches and cakes including some delicious strawberry and cream mini sponge cakes made by a member's grandson.

The October meeting will be a continuation of Tophill Low Warden Richard Hampshire's talk on "The Hidden Valley". The competition is - Your own wildlife photograph.

In November the speaker is Motor Racing Driver Guy Smith and the competition is "Speed".

The December meeting has Ron Mawer from Roanne Nurseries giving a talk and demonstration on Christmas wreaths and bulbs.

Kilham WI meets the 2nd Tuesday of the month in the Village Hall at 7.15pm. There is a walk in a different location every month and we usually have a social event too.

Everyone very welcome. For more information ring 421484 or 420105

Dear Friends,

Summer is ended and autumn is well and truly in the air. Autumn brings with it a change in the church calendar. When all is safely gathered in and the Harvest festivals are done we have another few events to keep us going.

First we are starting a 'Pilgrim course' at the home of Rob Gobel, Chantry Meadows, Kilham. If you want to know more visit the website which has loads of information: <http://www.pilgrimcourse.org>

In a nutshell it is for those who want a chance to think about the Christian faith, those who have recently started coming to church and those who have been Christians for many years and want to visit the roots of their faith again. It starts at the very beginning and assumes very little understanding or knowledge of the Christian faith. It will be an informal time and all are truly welcome. It will run weekly for 6 weeks starting at 2pm on Wednesday 28th October. Keep an eye on the church notice board for more details and get in touch with me if you think it might be for you

November brings with it the East Coast Churches and Community music festival; a two week long musical extravaganza. See their website for a full programme: <http://ccmf.co.uk>

One event will be held at All Saints church, Kilham on November 19th at 7.30pm; a musical called, "The Witness" by Carol and Jimmy Owens. It tells the story of the life of Jesus through the eyes of Peter. The music is both dynamic and moving. Not to be missed. This is by far one of the best modern Christian Musicals to be written in the past 40 years. It is both exciting to perform and challenging to the life audience.

Each part of this musical tells its own story as the characters reveal their feelings through the songs they perform. There is a powerful rock number as Judas returns the betrayal money to the high priest as well as an amusing number as the mother of James and John seeks to secure positions of status for her two sons. You will need tickets for this so keep an eye on the church notice board or call me.

With every blessing, Glyn
