

KILHAM NEWS

Your Village—Your Voice

April & May 2016

Spring seems to have finally sprung!

And what better way to celebrate the new season than to put up a bird box—which will not only be helping our feathered friends—but saving lives too.

G. Boyes Garage in Kilham, have been selling locally made nest boxes to raise money for the Yorkshire Air Ambulance Service, so far they have raised the amazing total of £752.80

The Yorkshire Air Ambulance Service needs to raise money constantly to keep both of their helicopters maintained and in the air. The donations received go directly into the life saving service provided. However, as an independent charity, they rely on the generosity of those who support the service to continue to save lives across Yorkshire. **So next time you are filling up with fuel, or having your car serviced —buy a nest box and help save a life.**

There are many charitable events happening in our village over the next few months and we are looking forward to encouraging them as much as possible. Please let us know if you are helping a charity or organising a community event that you would like the rest of us to support you in. Can you make sure you send any information in by May 23rd for inclusion in the next newsletter.

For any information to be included in the next issue, or information on how to advertise your business— please contact:

Gill 01262 420960 or email: enquiries@woodmil.co.uk

Deadline for next issue: May 23rd 2016

"From the school"

Champions!

Our football team wrote themselves into Kilham Primary School history on Saturday 19th March, qualifying for the Small School National Football Championships following victory in the Under 11's Midlands Football Championships held in Nottingham. The boys and their families travelled all the way to Nottingham in cars and on a coach (kindly sponsored by BW Industries of Carnaby, Bridlington and parents) for a thrilling day of football during which the team remained unbeaten and booked themselves a place at the National Championships on May 22nd at Leicester City's stadium! We do intend to book another coach to enable the team and their families to travel to Leicester for the tournament. (Any potential sponsors or ideas for fund-raising gratefully received!)

Well done to the boys - they are now among the top 8 small school's football teams in the country! Thank you also to the families and staff who gave up their Saturday to support the team.

A large number of Kilham school children took part in hockey and tag-rugby competitions this term also. We were taking part in both these tournaments because the teams had been successful in the previous rounds of the competition so both the hockey and tag-rugby teams had to play against tougher opposition. The hockey team travelled to York to play schools from all over Yorkshire and the tag-rugby team went to Beverley to play against sides from across the East Riding. Although we didn't win either tournament, the children can be very proud of getting so far and being so successful. Well done!

Some of our classes have been out and about on trips this term: Class 2 have enjoyed a visit to Flamingo Land, Class 4 have been to Beverley Minster for an 'RE.action' day and Class 3 spent the day at the Yorkshire Museum in York learning about the stone age and iron age. All the visits went very well, with the positive conduct of our children being commented on several times!

Other activities included our annual Easter Fair, organised by our PTFA which took place on Wednesday 23rd March and our Easter Service in All Saints' Church, Kilham on Thursday 24th.

On Friday 18th March we had a 'fun-run' for Sport Relief which raised over £200 and were joined by Dave Aspery, one of our parents, on his bike as he is going to be completing a 45 mile 'Moors and Shores' cycle ride, starting in Dalby Forest, on Sunday 3rd April. The link to Dave's 'Just Giving' page is

<https://www.justgiving.com/Dave-Aspery>

Good luck Dave!

S England

Kilham Community Emergency Plan!

There are at the present almost 450 homes in Kilham. There is in these homes a wealth of expertise, skill and resourcefulness, while in some there may be a need for a little help if conditions become too challenging. Many, who would perhaps welcome some help, will have good neighbours and family looking out for them while others may not be too sure where the help will come from if the need should ever arise. This plan can ensure that everyone is supported.

It is 4 years since the original data was collected for this plan which is designed to give rapid access to the resources and skills within Kilham for use in extreme circumstances. It also registers those people who would appreciate a little help. The potential resilience shown in the plan is reassuring but with time people come and go and circumstances change. Now we are asking you to help us update the plan and give Kilham even greater resilience in the future.

In the next few weeks you should receive an invitation to confirm or update the returns made in 2012. Everyone else will receive a request to contribute to this plan. There was a certain level of scepticism among some residents four years ago. Since then several communities have suffered from extreme weather conditions so severe that they have defied living memory.

But it is not just weather that can give rise to problems. Recently there was a gas outage in Hull. Engineers thought it could be fixed in 2 days but in the event the supply took more than a week to restore because water got into the system and then later there were problems contacting every household to make safety checks before reconnecting the supply. In North Lincolnshire a farmer ploughed through a gas pipe and cut off the village of Laceby for 3 days. Recently there was a major communications failure, including the non-emergency 101 service, after flood water got into the Vodafone telephone exchange in York.

This plan is a form of insurance against the unexpected. It aims to provide resilience to events which may not be probable but which we know are possible.

Councillor Geoff Seward

KILHAM PARISH COUNCIL NEWS

The Parish Council would like to welcome Lorraine Scarth who joined us in March as a new councillor.

In the next month a new replacement Map & Information Board will be erected on the same site as the original in Church Street. The new lectern style map is designed to be accessible to all. We are grateful to Robert Gobel whose original sketches provided the illustrations of the buildings shown. The concept and draft content is the work of a Parish Council working group and this was then worked up and produced into its final form professionally.

The Parish Council is pleased to announce that a life-saving defibrillator has been ordered for the village. A huge thank you must be given to the First Responders team who have donated a large sum of money to help fund and maintain the defibrillator. Additionally we successfully bid for a grant from East Riding Council to assist with the cost. The defibrillator is to be located in the Garden of Remembrance and once in place we will inform you in the next newsletter and on our website.

A bench seat has been ordered to replace the demolished bench outside the cemetery. Two other replacement benches have been ordered and will hopefully be in place outside Kilham School and Laurel Bank this Spring.

The Annual Parish meeting will be held on Monday 09th May 2016 and all residents are welcome. The agenda will be available on the Parish Council website.

www.kilhamparishcouncil.com and Chapel Lane noticeboard nearer the time. Should you wish to contact the Parish Council visit the website and follow the links.

ALL SAINTS CHURCH AND EVENTS

01262 420313

A word from All Saint's, Kilham's, Curate,

Rev James Trowsdale,

On May 22nd, Trinity Sunday, I will be ordained as priest in York Minster by the Archbishop of York. That evening I will take my first service of Holy Communion here in Kilham. This will be the culmination of three years training and over thirty years of working out God's calling to me.

To be ordained as a priest sets me apart to perform specific tasks as a minister in the Church of England; primarily, undertaking baptism and marriage services, leading Holy Communion and proclaiming blessings (or Absolution).

I am greatly looking forward to assisting Revd Glyn, Revd Barbara, the ministry teams, the Wardens and P.C.C.s and it will be a great privilege and honour for me to continue to serve the parishes of Kilham and the surrounding area.

My wife, Gillian, and sons, George and Jono and I are so grateful for the warmth of welcome we have received since arriving last year and making our home amongst you.

Thank you, James

JAKE'S LONDON MARATHON CHALLENGE

The story so far.....

following a very successful couple of months fundraising for the Haemophilia Society we have already reached our £2000 target!

THE
HAEMOPHILIA
SOCIETY

The lucky squares in St Quintin's at Harpham and Bay Horse, Kilham have sold out and been drawn. A few lucky squares are still available in The Star Kilham.

Many thanks to The Star for holding raffles during their quiz nights and The Bay Horse for holding a very successful race night raising a massive £614!

The Bay Horse also held a charity waxing on Good Friday at 7.30pm. Ouch!!

A massive thankyou to everybody who has very generously supported the above events or dropped in donations and your continued support in raising funds for this very worthwhile charity.

Hopefully in the next newsletter we will be able to report how Jake has done in his challenge to run the London Marathon. For further information please call:

Rachel Edeson: 420517 or Marie Sheader : 420777

Kilham Village Hall Lottery

Draw no 399 13 Feb 2016

1st -£70 -John Young /368 2nd—£50—C Moore/59 3rd—£30—Pam Barker/505

The draw on 19th March was our 400th. It was decided at the recent Village Hall meeting to give some extra prizes to mark this occasion. Three people have kindly donated these extra prizes of £25, £25 & £20. I wanted to get this information in the newsletter so we will actually award these prizes at the 401st draw on April 23rd.

For new or extra numbers or information about the village lottery

please phone Val Parton on 01262 420265

St Paul's Methodist Church

Coffee morning

We are holding a coffee morning on Saturday 30th April from 10am, cake stall, raffle, bring and buy and produce, in aid of Chapel funds everyone very welcome.

Afternoon Tea for Christian Aid

We are having an Afternoon Tea fit for a Queen on Saturday afternoon 4th June at 3pm. This will be at the Methodist Church jointly with our friends from the Parish Church. This will be in aid of Christian Aid.

Tickets £5. Please look out for the posters.

Kilham Village Hall Association

Kilham Village Hall Association Extra-ordinary Meeting

There will be an extra-ordinary meeting at Kilham Village Hall on Tuesday 19th April at 7.30pm. The village hall is well used, well maintained and in a healthy financial position, but due to a poor attendance at the AGM in February it proved impossible to elect a chairman and vice chairman. More people are needed on the general committee which meets 4 times a year. We urge all regular users, occasional users and Kilham residents to attend the meeting. Please try to support our hall. It is an asset to the village.

Our Village Hall Post Office Opening Times

Monday 1pm-4pm

Thursday 1pm-4pm

Tuesday 1pm-4pm

Friday 1pm-4pm

Wednesday—Closed

Kilham Indoor Bowls

We are coming to the end of the current season with our last session being 22nd April at 7.00 p.m. in the village hall before our annual dinner (details TBA) on 29th April.

If you are still fighting the excesses of the Christmas period and feel the need for a little gentle exercise, come along and join us. We will be pleased to welcome you and can promise you an enjoyable evening.

For further details contact Jean Wilson 01262 420664

Anita Harrison
Neighbourhood Watch
01262 420632

An Audi car was recently broken into on Chantry Meadows. No-one was seen doing it. We all need to be very alert. If you see something that doesn't look quite right, houses or garages being broken into ring 999 immediately. Otherwise ring 101, if its is not an emergency. We need to keep our eyes and ears open and help in any way possible. Any-one wanting to join us on the Neighbour Watch team, please ring me on the above number. We have a meeting once a month at the Bay Horse pub. We have been active as a team for 23 years now. When we started we thought it would never work but it has been proved that it does work very well, because all of us members are keen for this village to be safe and for the older residents to know there are people who care about them. Ring me if you want any information. In the meantime, keep your garage and house doors and windows shut and locked. Keep safe.

Anita

Dog Poo - Bin that Bag

Most of us are responsible dog owners and clear up any mess our dogs make in a public place, footpaths, grass verges, parks etc. Unfortunately there are one or two who don't and that gives all dog owners a bad name. There is now legislation in place for the Parish Council, or any member of the public, to be able to take action against anyone whose dog is seen to make a mess in a public place and the owner does not clear it up. A report is sent to Beverley and an instant fine of £75 is issued. If this is not paid a £1000 fine can be expected following a hearing at the Magistrates court.

Please ensure that you have enough poo bags with you and bin the bag. Don't leave it in a hedge or on the roadside, take it home with you and bin it. Please help us to keep the village a safer place. Dog mess looks disgusting, can cause blindness in children and is not a pleasant sight for visitors to our lovely village.

We are very pleased to have six new members this year. They all joined us for the February meeting when we held the WI Quiz. Although the questions stretched our brains there was a great deal of laughter and everyone had a good time. The winning team, Val, Ruth, Angela and Susan, will go forward to the next round of the competition. At the March meeting there was a full turn out of members to hear Sue Woodcock give her talk - From Copper to Shepherd. Sue has had a very varied life and is an interesting speaker. From her favorable write up in the Yorkshire Post it seems she enjoyed her visit to Kilham.

The walk in February was along Filey seafront. It was a sunny day and the views were stunning. In March we walked along the Scarborough Heritage Trail and though it was a bit misty we had an interesting tour of little known areas of Scarborough including a visit to Anne Bronte's grave.

Our trip to Bridlington Spa to see Gareth Gates and Maureen Nolan in Footloose was the February social outing. We were back at the Spa in March for lunch followed by a screening of Sweet Charity starring Shirley MacLaine. Both outings were enjoyed by all who attended.

In April the speakers are Cath and Clive Richardson talking about "The Woman Who Didn't Exist".

Kilham WI meets the 2nd Tuesday of the month in the Village Hall at 7.15pm. There is a walk in a different location every month and we usually have a social event too.

Everyone very welcome. For more information ring 420484 or 420105
