Your Village—Your Voice

August & September 2016

Kilham Playing Fields Association

It's that busy time of the year again, with the Beer Festival looming at the end of August.

The event will take place over the 26th & 27th August on the playingfield.

Gates will open at 6pm on the Friday and 12pm on the Saturday with music and entertainment during the whole event. There will be a new selection of Beers and Ciders for you to sample along with Lagers and Pimms. Home Cooked food will be available all weekend and will be provided by local organisations, with profits going directly to them as we try and share the money raised within the local community.

The Shamrock Experience return on Friday night with new band The Buffalo Skinners closing the evening. Saturday will see the usual mix of acoustic sets and big bands and we will welcome back Big Me as the main headliners with Capital Eye supporting them. We also hope to see the Village Choir, Ray's Voices, in attendance over the 2 days.

Inside the back cover of this newsletter there are discount tokens for both nights. These give the holder a discounted entry price compared to the website price. If you choose to join us, this will give you a £5 reduction each night.

If anyone would like to volunteer to help over the weekend, we will offer a free weekend ticket plus vouchers and glass in return for a minimum of 4 hours work. Please contact Dave Sheader if you are interested in taking up the offer.

As the event grows, we continue to appreciate your understanding and patience over the Beer Festival Weekend and I would like to personally thank all volunteers and KPFA members for their time and efforts during the organising and delivery of the event.

For any information to be included or business adverts, please contact:

Gill 01262 420960 or email: gill@woodmil.co.uk—deadline 26/09/16

KPFA continued:

On other matters, we have secured £8,748 grant funding from The Lissett Windfarm Trust for work to be carried out on the All Weather Pitch. This funding along with our reserves should allow us to complete the All Weather Court in October this year. This will be a major event for KPFA as the organisation was originally set up to deliver this as its 1st project before the size and scale of the playingfield gave opportunities for Football, Tennis and the Playground. The All Weather Court will allow Tennis, Football and Basketball to be played at any time of the year.

We will be welcoming a football team to the field this winter, who will be playing in the Scarborough league. The team is made up of a number of local lads from Kilham and surrounding villages and I hope you join me in wishing them every success in the forthcoming season.

A date for your diary is the Bonfire, which we hope to hold on the Friday 4th November. If anyone requires any further information about Kilham Playing Field Association, please feel free to contact me.

KILHAM COMMUNITY EMERGENCY PLAN UPDATE

Kilham Parish Council is in the process of updating our Community Emergency Plan. The aim of the plan is for us, as a community to help each other, should there be an emergency situation in our village. When we first set this up in 2012, the response from the village was excellent, with a comprehensive range of skills and equipment being offered. It is now time for us to update the plan as some people on the list may have left the village and others with new skills have moved in. It is vital we have an up to date plan and in order for us to do this we have had a copy of the questionnaire printed and delivered to you with this newsletter. This is for you to fill in to advise us of all the skills/equipment that you would be able to offer to our community in any emergency situation.

Please return your completed questionnaire in the envelope provided to:

Geoff Seward, Chairman of Kilham Parish Council

Swaythorpe House,

West End,

Kilham, YO25 4RR

Or, if more convenient, put in the sealed box at the Village Stores or hand to any Parish Councillor.

Thank you so much for your support.

Geoff Seward

Kilham Youth Club -

is aiming to provide young people aged 7-11years with the opportunity to socialise, learn new skills and have fun together. I would like to encourage anyone who would like to volunteer with the club to get in touch, even if you could only manage to attend once a month to support the children, that would be a great help, or you may have a skill which could be passed onto the children. We will be recruiting new young people in September to join the club. If you would like more information about Kilham Youth Club, which meets on a Monday evening 6:30-8:00 term time only, please contact Megan Price on : 01262 420111

VILLAGE HALL NEWS

The village hall has a new notice board on the driveway which will be used to give details of clubs and activities taking place. These include bowls, dancing, special interest and craft groups.

'Ray's Voices'

Kilham Community Choir

Way back at the end of January 2016, Steve and Helen Harris, Rachel Shrimpton and Paul Carter met in the Old Star with Rev. Ray and Brenda Eveleigh, to discuss the possibility of starting a choir in Kilham. Enthusiasm knew no bounds and two weeks later, on the 11th February, 'Ray's Voices' was born! Rev Ray arrived to find a packed pub and an air of excitement. The choir got off to a great start. It made its debut appearance on 1st July, at the very moving Service in All Saints' Church, honouring the Fallen at the Battle of the Somme. This was followed by a totally different event, a Music Festival-cum-Hog Roast, held in the garden of Peter and Sue Burdess in Harpham a couple of weeks later. Weekly rehearsals begin with warm up exercises and the 'pad' already has a range of songs from 'To Make You Feel My Love' to 'When the Saints' Go Marching In'. Although Rev Ray is the music director, Steve Harris ably takes over when he is not available. Singing in a choir today is very fashionable, with everyone pointing out the advantages to health and well-being,

SO, the question is 'Do you - or used you - to sing?' If so, come and join us! Don't hesitate - have fun, a glass of something, a lot of laughs, happy fellowship and enjoy belonging to a great group. 7:30pm start every Thursday evening in The Old Star, Kilham - you can be sure of a warm welcome! If you'd rather hear us first, come along to the Kilham Beer Festival on the weekend of 26/27th August. Rev Ray and Brenda Eveleigh

"From the school"

It is the time of year when we prepare to say goodbye to those children who are leaving us for secondary school. Whilst our summer term seems as busy as ever, it is important to take some time to reflect upon the events of the year.

In some ways, it would be easy to say that the school year feels as though it has been defined by sporting success – our teams have done amazingly well this year, with the football team being crowned as the second best small school in the country and enjoying a day at Leicester's Premiership stadium, as well as success in hockey, biathlons, rounders, rugby and more throughout the year. I would like to say 'well done' to all the children who took part in any of the tournaments and events we entered. (Even the Year 1 and 2 children had their own football tournament this year!) I would also like to say a public 'thank you' to my teaching staff. Taking children to tournaments, fixtures and events takes a huge amount of time – almost always at the end of a busy day's teaching (or on a weekend). Without the enthusiasm and commitment of the teaching staff here at Kilham, these things just wouldn't happen. We are very fortunate to have such hard-working staff and the large number of children participating in purposeful activity is a credit to them.

It would also be easy to say that the teaching year has been dominated by politics! Changes to the National Curriculum, testing and assessment of the children, as well as restricted school budgets, have been pressures which, to be honest, we could very easily have lived without.

However, looking through old newsletters and photos from the year's events, I'd like to think the school year can actually be remembered for a whole host of positive reasons. We have had some good times this year; we have strived to put the children first and provide memorable, worthwhile experiences for them which they will look back on and remember fondly. We have tried, as ever, to keep them safe and secure so that they can learn effectively, enjoy an idyllic primary education and a happy childhood.

To pick out a few highlights....Sports Day was wonderful this year, the weather holding out and children and parents having a super afternoon:

Reception enjoyed a fabulous trip to Dalby Forest and Pickering Castle, Years 1 and 2 visited the ballet at Bridlington Spa, whilst Years 4, 5 and 6 went to Headingley Stadium in Leeds for a day of cricket with Yorkshire's coaches. We also enjoyed several very special Church services, led by the children, in the wonderful surroundings of All Saints' Church in Kilham – always a highlight for me as I love everybody being together for special occasions.

We also had a special day to celebrate the Queen's 90th Birthday, although the weather didn't help – we had to set the bouncy slide up inside (but that didn't stop the teachers...)

During the summer I will endeavour to put the events of the year on the school website www.kilhamschool.co.uk, so everyone can see. For now, I would like to wish everyone a very happy summer holiday. After 6 years, it still makes me incredibly proud to be headteacher of this wonderful school in this supportive community; thank you so much to everyone in the community for your support through the year.

Our summer term finished, as usual with our annual Leavers' Service in All Saints' Church, which included guitar and clarinet performances as well as the Year 6 children dancing in the aisles. We also enjoyed our usual summer picnic on the last day of term (and dancing performance)!

Outreach Post Office Service

Due to alterations at the parent branch in Marton Road there is a possibility that there may be interruptions to the outreach post office service in the village hall during August. Would customers please refer to notices which will be displayed on the window near the door of the hall?

It is hoped that services will resume normally in September when there should be a new member of staff in place.

We apologise for any inconvenience this may cause. For further information please contact Mr C Stanley at Marton Road Post Office, Bridlington. 01262 674791

Each Wednesday, from 12 noon there will be a mid-day meditation in church

In the church calendar things quieten off through August: after our school leavers services there are no school events, no special festivals and many are off on holiday. That said there are few things going on to tell you about.

Rev Ray Eveleigh has started a mid-day meditation in church. So why not spend your Wednesday lunchtime at All Saints' Church, Kilham and find rest in a quiet place? You are invited to join with us for a time of meditation in which we will hear a short talk, listen to some music or enjoy the oasis of silence in this ancient and beautiful place.

Each session will begin at 12 noon and end at 1 pm. Please feel free to arrive late or leave early. Bring your lunchbox if you wish; tea or coffee will be provided. Rev'd Ray Eveleigh

We are starting a 'Pilgrim course' in September. It will be in the evening - (starting on 12th September, 7pm) at the home of Rob Gobel, Chantry Meadows, Kilham. It will explore the Lords Prayer as a gateway to the Christian gospel, a guide to our own prayers and a way of deepening our relationship with God. If you want to know more visit the Pilgrim website which has loads of information: www.pilgrimcourse.org

It will be of particular interest to those who want a chance to think about the Christian faith, those who have recently started coming to church and those who have been Christians for many years and want to visit the roots of their faith again. It assumes very little understanding or knowledge of the Christian faith. It will be an informal time and all are truly welcome. It will run weekly for 6 weeks. Either call me or see Rob for more information

Have a fine and relaxing summer. Every blessing, Glyn

KNIT AND NATTER GROUP

The Knit and Natter Group meet on the first Monday of each month at the Chapel (please use the side door nearest the field)

The group is busy knitting teddies, blankets and clothes for the baby care units and now twiddle muffs for dementia patients. We are now using many different types of wool and are always needing more knitting wool. We would be very grateful for any donations of wool, part balls as well as full ones, any colour and any thickness. All are welcome to join us or just visit. Our next meetings are September 5th and October 3rd.

There will be no meeting on Monday 1st August as it is Yorkshire Day.

For further details please contact Denise 01262420073.

INSPIRING WOMEN

In June Paul Schofield told us about Beverley Ghosts and History. He is an extremely knowledgeable and interesting speaker. We were also given a report on the Annual Conference in Brighton and were offered a variety of activities. Three people signed up to go gliding and several of us visited the Side Oven Bakery at Foston where we learned how to make delicious almond croissants.

We had spectacular views over the countryside on the June walk round Rudston and a visit to the churchyard to see the monolith. This was followed by a visit to Eastfield Garden Centre. Our social outing was a visit to Bondville Model Village including, of course, tea and cakes.

Kilham WI hosted an afternoon tea party concert given by the East Yorkshire Federation WI Choir.

This was enjoyed by all - the singing and the refreshments received many compliments.

In July Jackie Warrington gave a demonstration on how to make a simple silver ring and talked about making jewelry and being a silversmith. She brought several examples of her work for us to see.

The walk was a circular one round Nafferton's green lanes and the social event was a visit to Beswick where we saw over 80 dolls' houses, full of recognisable characters and equipped for all life's eventualities. This was followed by an excellent afternoon tea.

Kilham WI meets the 2nd Tuesday of the month in the Village Hall at 7.15pm. There is a walk in a different location every month and we usually have a social event too.

Everyone very welcome. For more information ring 420484 or 420105

At the moment the village seems to be relatively quiet, but that doesn't mean to say we need not be vigilant. Just a reminder, if you are going away on holiday—let your neighbour or somebody else know. Make sure windows, doors, garages and sheds are all securely locked before you leave the premises.

The Neighbourhood Watch Team are holding a quiz in aid of the Air Ambulance Service in September. We would like as many people as possible to support it. The date is still to be arranged, and notices will be put up around the village when the date has been finalised.

It costs £12,000 a day to run an air ambulance, such a vital piece of equipment, so we will try and do our bit towards keeping this worthwhile service going.

Keep safe and enjoy the summer—Anita

This September—Kevin Smallwood is running in the Great North Run in support of the Yorkshire Air Ambulance Service.

The Yorkshire Air Ambulance Service needs to raise money constantly to keep both of their helicopters maintained and in the air. The donations received go directly into the life saving service provided. However, as an independent charity, they rely on the generosity of those who support the service to continue to save lives across Yorkshire.

Please sponsor Kevin for the event—sponsor forms will be available at The Star, Kilham Stores and Boyes Garage from 1st August.

Or for more details of how you can support this event please contact: kevin@woodmil.co.uk
