DECEMBER & JANUARY 2017

SANTA IS COMING TO KILHAM SCHOOL

December 4th is Santa Sunday!

There will be plenty of festive fun in the school hall from 2pm—4pm. There will be lots of stalls, full of lovely Christmas gifts as well as an amazing Santa's Grotto. Entry is £2 which includes a visit to Santa and a drink and mince pie for the adults. There will also be a fun run around the village with the start and finish at the school. More details inside this issue—

As usual we will be having a raffle—so please support us by buying as many tickets as you can—or by donating raffle gifts at the school office. All proceeds go towards school trips, and activities which will enhance our children's education.

The raffle will be drawn at 4pm in the school hall before the Christmas tree lights are switched on by Father Christmas at 4.30pm when we will all join together for carols—with the amazing Rev Rays Choir leading the singing.

For more information about this event or if you would like to help on the day—please contact:

Dear Kilham Resident,

This year Kilham Primary School PTFA have decided to change the traditional Santa Sunday and are organising a Santa fun run around the village for all ages on Sunday 4th December. There will be three routes as shown on the map and Santa will be leading the way on his sleigh, complete with festive music!

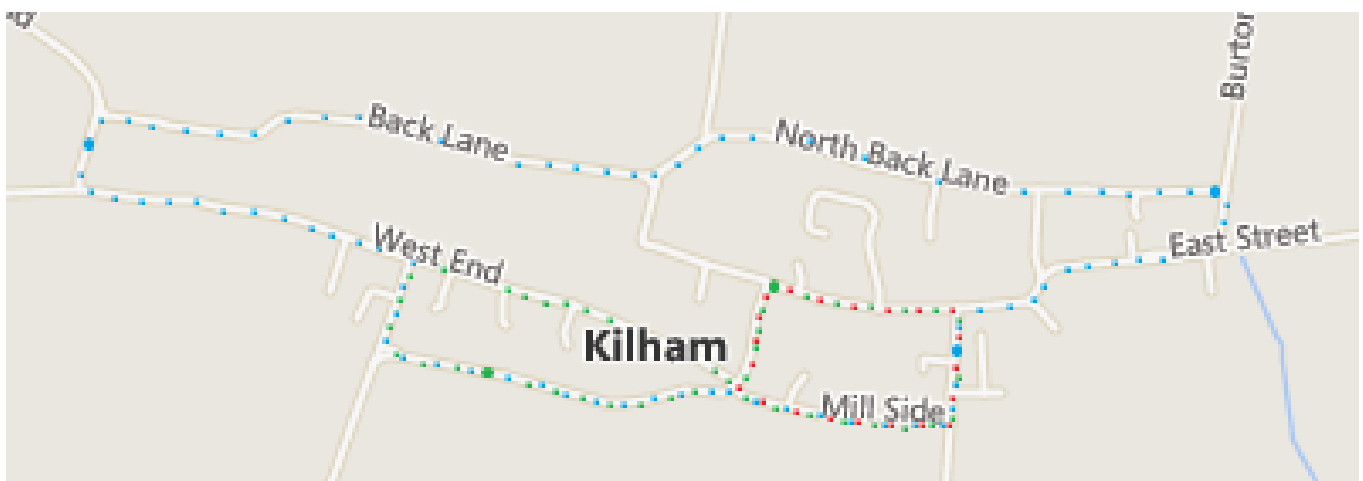

The running, in festive dress, will start at 2pm from the school and we expect fun runners to all be completed within an hour. We would be delighted if a) you would like to join in the fun run! (entries on the day £1) or b) support the runners around the village. The map indicates where they will be running!

In true Santa Sunday style there will be strategically placed buckets for any kind donations you would like to make to the school.

In addition to the fun run we are holding a Christmas fair at the school with mince pies, teas and coffees and mulled wine. Santa will be in attendance from 1pm. There will be the usual raffle with great prizes and we will all convene at the village Christmas tree at 4.30pm for the light switch on and carols accompanied by 'Ray's Voices' the village choir. We look forward to seeing you all on December 4th with your trainers on and in good voice!

Thank you for your support

The Kilham dance group has just had a Poppy dance on Remembrance Sunday and £200 has been given to Alderson House for the British Legion. This local facility looks after servicemen and their families for short holidays in Bridlington so is a very local asset. We meet every Sunday evening at 7-10pm for a social dance programme. We always welcome new dancers especially from the village and surrounding area. We mainly dance modern and popular sequence but do include some ballroom and Latin in the programme. We also do classical sequence and progressive party dances.

We also put "mostly ballroom" evenings on and a modern sequence dance after the latest inventive competitions.

This is a good way to keep mentally and physically fit, and meet other dancers.

(Mr S England 01262 420214)

"From the school"

We have had a busy autumn term, as usual, here at school. We have been working with a new rota of weekly themes in school to give us a focus for Collective Worship and for our new rewards system. So far, the children have been winning awards for Learning, Caring and Friendship (our core values) and for 'Generosity', 'Thankfulness', 'Truthfulness' and 'Courage', among others. The children have really responded well to our new rewards system, with 2 children from each class (as well as one child chosen by the lunchtime staff) being given the 'VIP' award during Friday's 'Achievement Assembly'. Those children then get to be 'VIPs' during Friday lunchtime, sitting on the top table with special guests!

We have had some lovely events so far this term at school; a MacMillan Coffee and Cake Afternoon raised over £350 for MacMillan Cancer Support, and over £100 was raised for Children In Need.

Our Harvest Service took place in October, and was extremely well attended by parents and friends - a lovely afternoon was had by all. We also raised over £70 for Christian Aid as well as supplying Drifffield Foodbank with much useful produce which will be used to help local people in need. As always, I am extremely grateful to everyone for their support and work - all of these events really do help others as well as bring the wider school community together.

As always at this time of year, preparation for Christmas seems to take over! We are celebrating Christmas a little differently this year at school; Classes 1, 2 and 3 are performing 'Sulky Santa and the Boy who didn't believe' here at school, and Classes 4 and 5 are taking responsibility for the Carol Service & Nativity this year. (Dates below). Christmas always feels special!

On behalf of everyone at school, I would like to take this opportunity to wish everyone involved with the school and village community a happy, peaceful festive season.

'Ray's Voices' **Kilham Community Choir**

December is going to be a busy month in more ways than one for 'Ray's Voices'. They will be leading the singing around the Christmas Tree in Kilham, starting at 4:30pm on Sunday 4th (see information elsewhere in this magazine).

On the following Thursday they will be opening their 'Concert for Christmas' in Church, with the Spiritual, 'People Get Ready', inviting you to enjoy an evening of superb entertainment to help you to get ready for Christmas. The Choir will be joined by children from Kilham C. of E. Primary school and singer, Megan Howe, with a medley from 'The Sound of Music' and 'Kum by Ya', performed by 7 year olds Sophie Shaw (voice) and Amelia Chester (piano). The programme also includes, seasoned actor, John Slater performing 'The Street Sweeper of Bethlehem', his own original work in his own inimitable style, talented music student, Poppy Shrimpton and 'The Two Harry's' - Harry Denness and Harry Easterby, who are part of the local group, 'Underground Owls'. Samuel Leach will sing 'Walking in the Air' from 'The Snowman' and his brother, Jake, newly appointed organ scholar at The Priory, Bridlington, will lead us all in the traditional 'O come All Ye Faithful', to round off the concert. Music will be provided by the swinging 'RevRay Trio'. So - 'People Get Ready' to be in All Saints' Church, Kilham, starting at **7pm, Thursday, 8th December**. Ticket £5 , include a glass of wine and mince pies (provided by The Friends of All Saints). They are available from Kilham Village Store, the Churchwardens, and various Choir members. Don't leave it too late - it's going to be a sell out!

The choir will be singing at a party the following week, before taking a well earned rest after December's busy schedule. In January, they will be celebrating the New Year with their own party at The Old Star, before taking a well deserved break for the rest of January. Normal practices will be resumed from 2nd February, with the serious business of increasing their repertoire for more engagements in 2017.

**So if you want to be part of this wonderful, crazy group of dedicated singers,
what's stopping you..... just come to a rehearsal, (starting 2nd February)
7:30pm, Thursday nights, in The Old Star.**

Warm welcome assured!

Dear all,

The countdown to Christmas is well underway and plenty happening in the village and at church to get us ready for Christmas. This year Christmas day falls on a Sunday: it's the seven yearly Jackpot for vicars! (no additional Sunday services).

To get us started on Thursday 8th December the church will host, 'A concert for Christmas' with 'Ray's Voices' and other acts; It sounds a fun and entertainment packed

evening (details elsewhere in the newsletter on that). On the following Sunday (11th December at 6.30) there will be 'A Night of Miracles' performed by 'The Ad Hoc singers'. This promises to be a class act and is essentially a sequence of readings and Advent/Christmas music. The centrepiece is "Night of Miracles" by the contemporary American composer John Peterson. Lasting around 40 minutes, this continuous piece tells the Christmas story through a mixture of music and spoken words.

It's a wonderful and dramatic way of entering into the Christmas story. Both of these events will raise money for worthy charities; Hemophilia Association and Shelter, respectively.

We will have the school Nativity and Carol service on Thursday 17th December and the children will bring their usual joy and energy. Christmas Eve will be a big night for us too. At 5pm we have our 'Crib-tingle service'; a mixture of dressing the crib with the usual characters, singing and giving everyone a Christingle as symbol of joy, light and peace. When all the Children are fast asleep we'll have our midnight Holy Communion. The finale of our celebrations and the most poignant reminder of the central Christian truth of: 'the word made flesh and dwelling among us' (John 1.14)

Have a very merry and blessed Christmas

Kilham Youth Club

Our aim is to provide young people aged 7-11 years with the opportunity to socialise, learn new skills and have fun together. We would really like to encourage anyone who would like to volunteer with the club to get in touch, even if you could only manage to attend once a month to support the children, that would be a great help, or you may have a skill which could be passed onto the children. We are currently asking new members to join the club so If you would like more information about the club, which meets on a Monday evening 6:30-8:00 term time only, please contact Leah Pick on 07929 863593

NOTES FROM YOUR PARISH COUNCIL

The parish council meetings are held on the second Monday of every month except August and all are welcome to attend.

The Parish Council would like to thank all those who attended the Defibrillator familiarisation session in October, run by Yorkshire Ambulance Service. We would also like to thank Ron from Roanne Nurseries who has donated a large quantity of daffodil bulbs to the village, weather permitting they will be planted within the next month. Thank you to Peter Boyes who has sponsored the village Christmas tree this year and to the volunteers who give their time to erect and decorate the tree.

Finally we would like to wish the residents of Kilham a Merry Christmas and a prosperous New Year.

NAFFERTON SURGERY MEDICATION COLLECTION

It is with regret that despite our protestations we have been informed by the Park Surgery Driffield that the delivery service from Nafferton Dispensary to Kilham Village Store will be suspended from 12th December following an inspection into the control of medications at their local dispensaries. It would appear that the system, whereby the weekly collection made by a small team of parish councillors, have for the past three years been undertaken without any problems having been experienced, does not comply with the current regulations. The surgery have stressed that they hope this suspension will only be of a temporary nature but can make no promises that a viable alternative will be found which would enable them to re-instate this valuable service.

However we are well aware that a small number of village residents may have serious concerns regarding collection of their medication particularly at this time of the year, in such circumstances please contact any member of the parish council to discuss possible temporary alternatives that may still be available.

Kilham Neighbourhood Watch

Unfortunately, one of our residents homes was broken into recently and a lot of their valuables stolen. Please everybody be aware, especially with the dark evenings that we must make sure all our windows and doors, garages and outbuildings are securely locked up. Also remember over this Christmas period to keep an eye on neighbours homes if we know they are away. There have been several poaching incidents reported, so please be on the look out for any suspicious activity

KILHAM PLAYING FIELDS ASSOCIATION

Our final event of the year was the village bonfire and fireworks display. I hope you all enjoyed it as much as we did. The good weather gave perfect conditions for the firework display which lit up the sky in an amazing display organised by Ronnie Tate and John Young. The food tent this year was manned by volunteers from the school who I believe raised £400 for their funds. As usual the helpers on the day made the event possible, so a big thank

you to Dave Stork, Richard Baker, Ian Pick, Steve Scott, Marie Sheader, Rachel & Gary Edson and Henri Williams.

The All Weather Court is finally finished after all the years of fund raising, so hopefully you will all see where your money has been going. The court can be used by all, with tennis, football and basketball nets built into the facilities. In the future you will be able to book the court if you are a local organisation or linked to the playing field, at certain times of the week for a small donation. The final costs for the Tarmac, Line marking and Fencing have been £34,000, for which KPFA have raised £25,500 with the remainder coming from a Lissett Wind Farm grant award. This has been the biggest single project we have taken on and will be the last undertaken by the current KPFA Team.

The KPFA team have decided that it is now time to step aside and let a new team run the field going forward. The All Weather court was the final piece in the development plan we had laid down and now it is completed brings the opportunity for a new team to take KPFA forward.

I would like to thank all who have helped directly on the committee or volunteered over the years for the Bike Ride, Sponsored Walks, Rag & Bone, Bonfires and Beer Festivals, which has made the whole Playing Field possible. We estimate we have spent close to £140,000 on facilities and machinery linked to the playing field, without any consideration to general running costs.

If anyone would like to discuss taking KPFA forward into 2017 and would like more details then please contact me—David Sheader 420777

Elizabeth Knowsley - Charity

Elizabeth Knowsley was the daughter of John and Elizabeth Outram. She was born in Burton Agnes in September 1766 and the family later moved to Kilham. They were a well to do family and there is a plaque to the Outrams in Kilham church. Elizabeth married Robert Knowsley, gentleman of Cottam, in Kilham on 14 August 1787. Unusually for that time Elizabeth had money of her own - £1400. She made her will in 1798 and made a bequest of £50 in a trust, the income of which to be distributed by the Overseers and Church Wardens of Kilham, to the poor persons of the parish. At the time this was a large sum of money but by 1980 when the last distribution was made the income was £2.82 and was shared between 3 persons at 94p each. Until now the charity has been dormant and upon closure produced a sum of £69.27 which was given to Driffield Food Bank in keeping with the original aim of the bequest.

Elizabeth died on 14 December 1800 and is buried in a vault on the East of the Chancel door of Langtoft church.

A stone in the aisle of Kilham Church (now covered by carpet) states - *That Elizabeth, the wife of Robert Knowsley of Cottam Esq. left by will to Marmaduke Prickett of Bridlington, Attorney at Law the sum of fifty pounds, in trust for the Poor of Kilham the interest thereof (whatever it may be) the said Marmaduke Prickett, his heirs and Assigns, are to pay on 14th December annually for ever to the Churchwardens and Overseers of Kilham to be by them distributed to the poor. With the above bequest Mr Prickett in the year 1803 bought £85.1.8 in the three percent reduced annuities which stock yields an annual dividend of £2.11.0.*

The October speaker was WI member Anne Cleminshaw who told us 'Follow the Tulip and You Won't Get Lost!'. Many of us were intrigued by the title of her talk and were interested to hear that it was all about navigating on car rallies both here and abroad. There were two social outings, one to the Spa cinema in Bridlington and the other a hands-on visit to the Stained Glass Centre. Both included lunch of course. October's walk was round Hutton Cranswick. Also in October was the Group Rally. This year it was Driffield's turn to host it and the theme is obvious from the photograph.

In November Denise Davies recounted 'Stories Behind "My" Quilts'. She brought many examples of her exquisite work and we heard some fascinating stories about her world travels. The outing was to Burton Agnes Hall to see the Christmas decorations and the walk was round Driffield with a great deal of information about local landmarks and people, including John Mortimer and Benjamin Fawcett. We also went to the double film show and lunch at the Spa Bridlington.

At the December meeting we will be entertained by the Beverley Handbell Ringers

Kilham WI meets the 2nd Tuesday of the month in the Village Hall at 7.15pm. There is a walk in a different location every month and we usually have a social event too.

Everyone very welcome. For more information ring 420484 or 420105

D'Arcy Exhibition

At a recent presentation by the trustees of the D'Arcy Exhibition, Kilham School received £1,850 after the charity was wound up. The school intends spending the money on books for the library so that children throughout the school, both present and future, will benefit from the fund.

The Free School in Kilham was founded in September 1634 by John Lord D'Arcy and the charity was originally established as the D'Arcy's Free School Endowment under a scheme approved by the Charity Commissioners dated 9th November 1883 *To allow for payment of fees in the form of scholarships for pupils from elementary schools in Kilham.* There is a board in the entrance hall of the school showing the recipients of the scholarship.

Following the 1944 Education Act, which gave free secondary education to all, such endowments were no longer necessary and the fund became dormant. In October 1979 a new scheme was started to provide grants to help Kilham students in further education buy books etc. By 2000 the scheme had again become dormant and the capital was such that the income produced was minimal. The decision was made to wind up the charity and trustees were appointed to oversee the closure.
