Bridlington High School for Girls

Did you go to BHS? Calling all Old Girls.

Are you a member of the Old Girls' Association?

For a very modest annual subscription of £2.50 you can join and receive the yearly magazine. Said magazine has a new editor this yearme! It is the first time I have done anything like this and I thought if anyone in Kilham who went to the school would like to write a short article either about memories of their time there or what they have done since it would help to make my first edition more interesting. If you can help please email me ces1951@hotmail.co.uk or ring 420105. Many thanks.

At the December meeting Ron Mawer from Roanne Nurseries gave an informative demonstration on Christmas wreaths. This was followed by the AGM and a social evening with festive music. The walk in December was a bracing stroll along Hornsea seafront after which we had a welcome lunch of fish and chips. Our social event was the Christmas meal at The Old Star and was very much enjoyed by all who attended.

The walking group visited Beverley in January and had a most interesting walk round the town followed by lunch (of course!). The social event was a visit to Bridlington Spa to hear the Sinfonia Viva- Viennese Gala. Our January talk was "Being a Calendar Girl" when Nicola Henderson shared stories of her involvement in the stage version of Calendar Girls.

The February meeting is the WI Quiz. There will also be a Bring and Buy stall.

In March we are looking forward to hearing Sue Woodcock - From Copper to Shepherd. The competition is "As mad as a box of frogs!"

Kilham WI meets the 2nd Tuesday of the month in the Village Hall at 7.15pm. There is a walk in a different location every month and we usually have a social event too.

Everyone very welcome. For more information ring 421484 or 420105

"From the school"

On behalf of everyone here at Kilham CE Primary School I would like to wish everyone a happy new year. Christmas at Kilham CE Primary School was as busy as ever, with Santa Sunday, a school disco, performances of 'Gnome Alone' and 'Baboushka', a Christmas Welly Walk for the youngest children, a bike breakfast, Christmas Jumper day and a lovely nativity in Church. I would like to thank everyone involved in school's festivities for making it such a happy, memorable time for the children.

Our spring term has now begun and there are plenty of things happening at school. Computer club, multi-skills sports clubs and football clubs are all taking place this term, as well as swimming galas, hockey tournaments and football. Each class has started a new topic for the spring term; Class 1 are learning about space, Class 2 are finding out about 'famous queens', and Class 3 are going back to the stone age! We will also be continuing with a range of cycling activities, hosting our annual Easter Fair and having our Easter Service in All Saints' Church.

Kilham School are Humberside Champions and one step from Wembley!

After success in the Driffield Schools tournament and then the East Riding football championships, Kilham year 5 and 6 boys travelled to Grimsby on Friday 20th November for the next level of competition - the Humberside Finals. The boys played 4 matches, Airmyn Park Primary School were their first opponents, with Kilham winning 3 - 0, and then St James Church of England Primary School were also beaten 3 -0! Barmby Moor were next - tougher opposition who were unlucky to concede an own goal early on, however it was caused by the pressure from the Kilham forwards and Kilham ended up beating them 3 - 0 as well! The final match was against Enfield Primary School. The boy's pattern of play continued in the final match and despite some strong attacks from Enfield, Kilham won the game 2-0!

Mrs Atkinson said, "Winning the tournament with a maximum 12 points and no goals conceded was a fantastic achievement."

Their next outing will be to an inter-counties tournament in Nottingham in March, the winners of which will play in the National final at Wembley Stadium!

2nd Annual Wolds Wassail

The second annual wolds wassail took place on Saturday 16th January. The event which was originally planned to take place in Colemans Cider Company's orchard in Ruston Parva had to be relocated to The Old Star at the last minute due to poor weather conditions.

The term wassail is based on the Old English words *wæs* (*pu*) *hæl* which translates to mean 'be healthy' or 'be whole' and form the basis of the modern English phrase 'hale and hearty'. It is a traditional ceremony which seeks to start off the first stirrings of life in the land and to help it emerge from winter and to ensure that the next season's crop of fruit, especially apples and pears, will be bountiful.

Traditionally orchard wassailing was concentrated in those parts of England where the growing of apples was most prevalent e.g. in Somerset and Devon; in Worcestershire and Herefordshire, in Shropshire and Gloucestershire.

The wassailing ceremony frequently begins in the afternoon with those taking part process down to the orchard, ceremonially bearing the wassail bowl and carrying large sticks and such items as drums, kettles, pans and whistles and anything else which can be used to create lots of noise. The ceremony generally begins with the trees being variously serenaded with traditional "wake up" type of chants and rhymes praising the trees, their fruitfulness in previous years and exhorting them to do even better in the coming year. These chants include:-

Hats full! Caps full!
Bushel - bushel - sacks full
And my pockets full too! Huzza!

The custom continues with the trees being beaten about the trunk with the sticks which is believed to begin the process of awakening the tree. It is accompanied by much shouting and the making of as much noise as possible, to assist the tree in awakening from its winter sleep as well as frightening away any evil spirits which might be lurking in the branches. Finally pieces of toasted bread soaked in cider into forks in the branches or hollows in the tree and left there as offerings, whether to the tree or to the robins.

The Wolds Wassail started with at 2.30pm with performances by Bridlington's Makara Morris Group. The Morris dancers then led the procession to Colemans Cider Company orchard in the village where the Wassail Ceremony took place. Participants then retired to the Old Star, to enjoy Colemans Cider Company's new range of ciders and to be entertained by a range of local musicians including Carrie Martin, Dogfinger Steve, Martin Heaton, The Smugglers and the Sticklebricks.

Here's looking forward to another fantastic event next year. Further details will be in the Christmas edition of the Kilham News

Church services and events

Dear Friends,

You may have seen in the press that the Archbishop of Canterbury is working with other churches to fix the date of Easter (something people have been trying to do since the 10th century!) Don't worry about pencilling the new date in your diary yet though; even if all goes well it could take 10 years. In the meantime we'll still have the moveable date for Easter Day which can fall anywhere between 22nd March and 25th April. This year we have a very early one; 27th March. That of course means Lent is early this year and you will see that Ash Wednesday (the start of Lent) is on 10th February.

Throughout the centuries Christians have looked on Lent as a special time of spiritual development (a little bit like giving yourself a spiritual workout or spring clean).

In our group of churches we will have a weekly 'Lent Lunch' to which all are welcome. Nice soup and bread, a short reflection and good company. Kilham's will be on Wednesday 9th March at 12 noon in the village hall. The other dates and venues will be on the notice board.

We'll also have a weekly Lent course. Rev. Ray Eveliegh will lead this on Monday evenings starting 15th February. He's chose the title, 'Extra Time'. It will be exploring the biblical 'Apocalypse' and texts relating to the end times. If you are interested in this fascinating topic call him on 01262 420062 for venue and details.

With every blessing,

Glyn

Kilham First Responder Group.

As many of you will know, the First Responder Group in Kilham has had to disband, due to a lack of volunteers coming forward to replace people who had to drop out for various reasons.

Kilham Parish Council is in the process of applying for a grant in order to purchase a portable defibrillator for use by the whole village, details on how that will work are to follow.

The remnants of the First Responder Group decided that its residual funds should be donated to the Parish Council, towards their efforts to buy and maintain the defibrillator. To that end the sum of £1,409.07 has been passed to them. These funds are to be ring-fenced solely for this purpose and will not be absorbed into the general council funds.

I hope that you will all agree that this is a worthwhile use of the funds, and the group would like to thank everyone who participated in the scheme and those who donated time any money to it.

John Young (treasurer) Kilham First Responders.
