Blacksmiths Cottage Open Morning

Blacksmiths Cottage is holding an open morning on 17th June to celebrate the Great Get Together. The Get together is a community initiative launched by Jamie Oliver and the Duchess of Cornwall in memory of the murdered MP Jo Cox. The gatherings are designed to bring communities together and we thought this would be an opportunity to showcase the work we have been doing to update our facilities. We have met a lot of lovely people since moving here to Kilham last August and would love to meet more of you, so we are opening up our doors for viewings of our dining and letting rooms and serving light refreshments. Doors will be open from 11am to 2pm on Saturday 17th June so if you fancy a look round, a quick chat or just a free cuppa come and join us.

Jim and Lynn

The April meeting was a members' evening. We discussed the 2017 WI Resolutions so that we could decide which way, for or against, we should ask our delegate to vote at the National Conference in Liverpool in June. Both are worthy subjects -

Alleviating Loneliness and 'Plastic Soup' - finding a way to stop microfibres destroying the oceans. The delegate was given discretion to vote how she thought fit after hearing the speakers at the conference. After our debate we made boozy truffles with Andrew from The Old Star and wild flower seed bombs with Lorraine (even though she hadn't known she was expected to demonstrate). There was a great deal of hilarity and everyone seemed to enjoy themselves. Our social outing in April was a visit to The Spa Bridlington where, after lunch, we had a nostalgic

visit to the 'picture house' to watch the film 'The King and I'. The April walk was Harpham to Lowthorpe with a tea and cake stop at Burton Agnes Hall.

At the meeting in May we had Kath and Clive Richardson telling us about "The Fate of the Eight" - a sequel to their talk on the woman who didn't exist. This was a very interesting but sad story. The walk was again Harpham to Lowthorpe as we got it slightly wrong last month and wanted to get it right. A coach trip to Saltaire and Salt's Mill was our May social outing.

The June speaker will be Rick Hudson talking about Danes Dyke House and in July Toastmaster and Master of Ceremonies, Steve Haynes, will tell us about his experiences.

The WI Computer Club is going well and if you need help or just want to have a general chat about using your computer then come to the Old Star Kilham on Friday afternoon at 1pm for a friendly informal gathering with like minded people and expert tuition. Everyone welcome - £1 entry.

Another new venture is the Pop Up Cafe in the Village Hall back room between 2pm and 3.30pm on the third Wednesday of the month. Come and have a cup of tea, piece of cake and a chat - only £1.50. All welcome.

Kilham WI meets the 2nd Tuesday of the month in the Village Hall at 7.15pm. There is a walk in a different location every month and we usually have a social event too.

Everyone very welcome. For more information ring 420105 or 420650

Police Emergency 999 Non-Emergency 101

There have been one or two incidents that are not acceptable, it seems that the playing areas and the tennis courts on Back Lane are being used as a meeting place for youngsters who are parking up, drinking and there may be a possibility that drugs are involved and leaving their rubbish lying around. There has also been an incident of the portacabin being broken into.

The Playing Field Association and the Neighbourhood Watch are not going to tolerate this behaviour – so if you happen to be taking a stroll in the vicinity of Back Lane and you see something that looks out of context, please get in touch with Anita or the police. As villagers have contributed to a place to be used for everyone to enjoy, we will not tolerate someone doing damage to that area.

Another note of harassment, the Old Post Office House has been egged one night during the last week and the occupant's car had the same treatment. Why would anyone in their right minds want to do a stupid act like that? I hope that CCTV footage will be seen and the person who is responsible be made to pay for the damage caused.

Please be aware of scams still targeting old people who live alone – **don't give any bank details to anyone who rings or asks for them.** We have had another incident last week to a lady who lives in the village.

Please try to keep shed doors and garage doors closed during the day even if you are in, there are sneak thieves always on the lookout for something to steal.

Hope you have an enjoyable summer. Call me if I can help with anything.

The Archbishop visits Kilham School

Our main piece of news from the last couple of months has been the visit of The Archbishop Of York to Kilham School. Dr John Sentamu joined us for the afternoon of 28th April, as part of his weekend of events around the Bridlington area.

The Archbishop was at the beginning of the Tour De Yorkshire in Bridlington that morning, so we decided to have our own 'Tour De World', with the children bringing bikes and scooters to school and having a grand parade on the field.

We also had a special collective worship where we gave out our usual 'VIP' certificates to those children winning the awards that week. Our theme for the week was 'perseverance', which linked very well

with the Tour De Yorkshire, as during the assembly we calculated the total number of miles the contestants would cover that weekend (415!) Needless to say, we preferred our gentle parade around the school field... Our special assembly included an address from the Archbishop during which he talked to the children and parents about dedication and commitment. All in all, it was a very special afternoon for school and, hopefully, enjoyed by everyone who attended!

Dear all,

Sunday 7th May was a wonderful day for the church in Kilham; the Bishop of Hull attended the service to confirm a group of people ranging in age from school children to adults.

Confirmation is all about making promises, confirming those that were made at baptism by parents and god-parents. It is a great affirmation of faith for those concerned.

Promises, of course can frequently be broken because we are broken people in a broken world, but one thing remains a certainty; the promises of Jesus are never broken, He is the same yesterday, today and tomorrow and He promises eternal life to all those who believe and trust in Him.

Would you like to enter in to that promise in a regular way? How about coming along to the services at All Saints, there is something for everyone.

All blessings to you all Rev James Trowsdale

KILHAM QUILTERS EXHIBITION

The "Quilty Pleasures" exhibition, held over the recent bank holiday weekend was a huge success, raising £7000 for the Yorkshire Air Ambulance and Yorkshire Cancer Research. We were delighted to welcome the Archbishop of York who visited on the Saturday morning and we are also extremely grateful to all those people who came from the local area and further afield to support us. The Linus Quilts, which were also on display and much admired, will now be donated to Martin House Hospice. Thank you all for your generosity and for the lovely comments we received both over the weekend and afterwards.

It makes all the hard work so worthwhile

KPFA - Kilham Playing Fields Association

We are still looking for volunteers to run the playing field going forward. The current team are keeping things going until new individuals can be found to take the over the organisation.

There is enough money in funds to complete all financial commitments in 2017, but some funding will need to take place to provide for next year.

The Parish Council has awarded KPFA a yearly grant to help with the insurance and toilet hire. This grant allows for any money raised to be spent on the development of the playing field and its maintenance.

The tennis courts are open now if you fancy a game, but please note that they are used by the tennis teams on a Tuesday and Thursday evening.

We are suffering quite a lot of anti-social issues in the carpark of the playing field. People are drinking, leaving litter and damaging property in and around the area. This behaviour has been reported to the Police and Neighbourhood Watch and I would ask if anyone sees anything suspicious that they contact the Neighbourhood Watch Team or the police.

'Ray's Voices'

Kilham Community Choir

What a Service that was! The Jazz Vespers which Ray's Voices sang in The Priory, Bridlington, with the RevRay Quartet, at the end of April, was a real highlight of performances so far, from this talented group. Only just over a year old and we are surpassing anything we could have dreamed about when we began in February 2016. We harmonised with attention to detail and the true feeling asked of us by conductor, Steve Harris, (who rewarded us with a discreet thumbs up to show when he was really pleased!) Our next performance is a **Charity Concert in Burton Agnes Hall on Thursday 27th July, starting at 7:30pm.** Tickets will be £12 and include a buffet and a wander round the elegant rooms on the ground floor of the Hall. There will be a bar and a raffle and we hope to raise lots of money for two charities. One is for those suffering from Dyslexia and the other is to help 11year old Burton Agnes school girl, Lily Blythe, achieve her goal of representing Great Britain in the 2024/2028 Olympic Games. Lily trains at the Yorkshire Regional Training Centre for Pentathlon GB at Bishop Burton, where one of her coaches is Sonja Greaves, a member of Ray's Voices. Tickets for the concert will be on sale from the end of June via choir members or by calling 01262 420062. If you are interested in joining Ray's Voices, just turn up at about 7:15 (7:30pm start) any Thursday evening at

The Olde Star and
see what you think!

The Kilham Dance Group

Hello,
NEW!!! sequence dancing 3-5pm on a Friday. A dance programme will be made each month. Three afternoons will be mostly modern sequence dancing but we hope to have one afternoon of social dancing with a few old time dances.

Please contact us at kilhamdances@yahoo.co.uk for more information and for any cancellations when we are unable to run the dance.

A nominal charge of £2 for the dance and to include a quick tea/coffee/ biscuit break.

Dancing is very good exercise and improves your balance and muscle strength. It also helps your memory when you have to remember the dances. But best if all it is a good social event and you will get to know popular and new dances for your holidays.

Look forward to seeing you, Contact 01262 601441 or email kilhamdances@yahoo.co.uk

KILHAM PARISH COUNCIL NEWS

Last month Kilham held its Annual Parish Council Meeting at which Geoff Seward was again nominated as Chairman and Mark Buckle as Vice-Chairman, both accepted their nominations and were duly elected.

The Public Parish Meeting was also held the same night and we would like to thank all the local organisations which contributed and to those who attended. For those of you who are curious about the work of the Council a summary can be found in the Chairman's 2017 Report on our website.

The Council is in the process of having its financial accounts audited both internally and externally by independent companies. Between the dates of 5th June and the 14th July, the public has the opportunity to view the accounts by appointment and ask questions, by contacting the clerk via our new website.

Our regular meetings are held on the second Monday of each month, except August, starting at 7.30pm in the village hall. You will be warmly welcomed, as your views are valued, if you decide to come along and speak to your councillors about your concerns or about what is, or is not, happening in Kilham. Fracking and the Planning System for Communities

RTPI and Planning Aid England, have recently published a step-by-step document clearly explaining the planning process for shale gas extraction, or as it is more commonly known, fracking.

The aim is to ensure that communities, councillors and other interested parties are correctly informed of this emotive and controversial subject.

It covers:

how shale gas is extracted

how applications are assessed and determined through the planning process

the role of other (not planning) regulatory bodies

how to advise communities affected by shale gas extraction proposals (advice for Planning Aid England volunteers)

The advice only applies to England, as it is the only part of the UK where shale gas extraction is currently permitted.

The document can be accessed via the internet clicking on the link: [Shale Gas Extraction](#) or typing www.rtpi.org.uk into your browser and entering 'Shale Gas Extraction' into the search box of the website. To find out more come to our monthly meeting at the village hall.
