### Love in a Shoebox

As last year, we invite everyone to join in sending Christmas presents in the form of shoe boxes filled with gifts for refugees and other displaced people, via the Jacob's Well Charity, based in Beverley. As we see on the news, there are ever more refugees, ordinary people like ourselves, fleeing from wars and natural disasters. We simply cannot comprehend how they feel, leaving their homes - destitute - some sick or injured. **Please mark your box to say if it is for girl/boy (with approx age) or adult female/male, elderly female/male, or for a family.**

Please wrap in Christmas paper, with the lid wrapped separately from the bottom and secured with an elastic band.

Please bring your Shoe Box on **Sunday 5th Nov to All Saints' Church, Kilham, for the 11am All Age Worship Service**. If you can't make the Service, please arrange to give your box to a Church member or leave it at Kilham School. Rev Ray has volunteered to transport the boxes to the collecting depot in Beverley. Optional, but the charity would appreciate a £1 donation towards transport costs. Please do not put it inside the box – fix it to the top (not easy but do-able!) See over for list of suggested items to include.

ALL ITEMS FOR INCLUSION IN THE DEC/JAN EDITION OF THE NEWSLETTER SHOULD BE SENT TO: gerryhorner10@gmail.com BY November 17th please.

Please check the list below for suitable contents. Attach your own check list to the outside.

## **Kilham Parish Council**

Following several expressions from the PC of its concerns about the lack of safe pedestrian access to and from the new housing under construction off Burton Road, the developers have now to include a footpath along its roadside boundaries.

A number of residents attended a planning meeting in August to express their fears that a footpath may be closed as a result of the development at Roanne Nurseries. The PC have received confirmation that this fear is unfounded and that there is no treat of closure.

In response to many complaints about some drivers speeding along Back Lane the PC have received a commitment from ERYC Highways to install repeater 30mph signs sometime during this financial year.

The PC have made it clear to the ERYC Planning Team the serious concerns it has about any rapid and wholly disproportionate rate of development that could occur when the Roanne Nurseries and Clackna Farm sites are built as currently proposed. In both instances, the PC has expressed the view that too many dwellings are planned (55 Roanne, 50 Clackna). Kilham could see an addition of 136 homes if the 18 homes that are approved or currently under construction, and the 11 homes proposed but pending consideration are added. The Development Plan for Kilham is that a total of 90 homes be built in the period 2016 - 2029. This target would be achieved if on average 7 new homes are build each year. The implication for the infrastructure of the village are easy to imagine.

Councillors appreciate your involvement and would like to thank all of you who have contributed in any way - either by attending monthly meetings, coming to planning meetings, by email through the website 'contact us', phone calls or by simply talking to them face to face.

## INSPIRING WOMEN

There was no meeting in August but we did visit Bempton Cliffs nature reserve and also enjoyed a strawberry tea hosted by Cranswick WI.

In September Janet Smart talked about her fundraising work for Thuso Orphanage in Lesotho.

Unfortunately the walking group has been suspended for the time being.

The social event in September was the Wold's Rally. Members of four other WIs from the area came to Kilham to enjoy an evening entitled - A Celebration of Yorkshire - What Yorkshire means to You. Dulcie Lewis was the speaker. Her very amusing talk was entitled "Not just Yorkshire Pudding". There was a quiz, a rolling programme of Yorkshire scenes and a Yorkshire ploughman's supper.

The Computer Club is going well - Ebay, Skype and Family History Research to name but a few topics covered. So if you need help or just want to have a general chat about using your computer then come to the Old Star Kilham on Friday afternoon at 1pm for a friendly informal gathering with like minded people and expert tuition. Everyone welcome - £1 entry.

Don't forget the Community Pop Up Cafe in the Village Hall back room between 2pm and 3.30pm on the third Wednesday of the month. Come and have a cup of tea, piece of cake and a chat - only £1.50.

All welcome.

Kilham WI meets the 2nd Tuesday of the month in the Village Hall at 7.15pm.

We usually have a social event too.

Everyone very welcome.

## KPFA - Kilham Playing Fields Association

With Autumn upon us, we have now removed the nets from the Tennis Courts, but this year you can use the All-Weather Court throughout the Autumn and Winter months. Once again, we will be hosting a local football team at the playing field.

In my last newsletter article, I reported on the vandalism of the cradle swing which I am now pleased to confirm has been replaced.

Unfortunately, these things happen, but at £300, it wasn't a cost we were expecting and when added to the chains and locks we lost when we had a number of break ins over the summer months it has made a dent in our reserves.

The Bonfire will take place on Friday 3rd November. The Bonfire will be lit at 6.30pm with Fireworks to follow.

The following week on Saturday 11th November you can dance the night away as we have a 60's, 70's & 80's night at the village hall to try and raise some money to top up our rapidly dwindling funds. There will be more information on our Facebook page nearer the time, but your support would be welcome. There will be a well-stocked bar for everyone's tastes and a local DJ to keep you entertained.

Once again I would remind you that the outgoing KPFA team have achieved all the targets they set themselves as a group and have disbanded and we are looking for some new members to hand the reins over to. We are currently cutting the grass and paying the bills as we can and it's a real shame that no one has come forward to take things on. It's not all about holding bear festivals and huge events, in real terms you probably need to raise £2,000 to £3,000 to keep the field running when the funding from the Parish Council is taken into account.

We have planned a Bingo night at the village hall, plus a Live Band Night, so please watch the notice boards for details.

"From the school"

Welcome back to the new academic year here at school! I remember writing last year's September/October news article and the weather had been wonderful. Not so this September; the changeable weather has meant several wet playtimes already!

Apart from the weather, our new school year has started really well. The children are all settling into their new classes.

We said goodbye to 15 children in July who were moving onto secondary school, and we have welcomed 14 new children into Reception and 5 other new-starters, as well as another new group of children into nursery. We finished the year in July with several exciting events.

Our first attempt at Sports Day was foiled by the weather, but then the week after we had a blisteringly hot day for it - the children all had to move under the trees for some shade!

We then had the performance of 'Mystery at Magpie Manor' - our first summer production by Classes 4 & 5. This was enjoyed by everyone and the children did a really good job of putting on a musical production

Our the last day of term we held what is becoming our traditional 'Summer Picnic' and afternoon of dance. During the summer term, we are joined by Nicky Sweeney-Chisholm, a professional dance teacher, who teaches the children both fitness and creative routines. We all look forward to the afternoon of dance performances, and this year's did not disappoint!

It even ended in a mass 'Charleston' with parents and staff joining in.

Our final afternoon of the year ended with our annual 'prize giving'. There are two prizes that mean a great deal to us here at Kilham School, as we award them to help us remember two people who were very much attached to our community. The 'Liz Butler' Art Award was awarded to Ella, for her consistently creative and detailed artwork; and the 'Ruth Nicholson' Music Award was awarded to Rebecca, for her all-round musical endeavours!

In addition to these, Ellie was awarded the Sports Award, which had been donated by 2016's leavers, and Holly and Emma were awarded our new prize, for 'Perseverance', which had been donated by our 2017 leavers and parents. Well done to all.

What a great way to end the school year!

Each Wednesday there is a service at 12noon: All welcome for a little music, worship, fellowship and peace. Tea and coffee too!

Dear Friends, Summer is ended and autumn is well and truly in the air. Autumn also brings with it a change in the church calendar. Our Harvest festivals are nearly done and when all is safely gathered we look to another few events to keep us going; Remembrance Day and Sunday. They reflect the broader themes of belonging and remembering. We remember the importance of all being part of a body and how, through our baptism, we become members of one body through Christ. Our service on All Saints day helps us to reflect on this mutual belonging; especially giving thanks for the men and women, past and present, ordinary and special, who inspire us. Remembrance Sunday take further this theme of memory, both corporate and individual, as we bring to mind issues of war and peace, loss, self-giving and thankfulness. I have been surprised in recent years at the growing popularity of Remembrance Sunday (as to why your guess might be as good as mine but I wonder if it's anything to do with our increased awareness of the fragility of peace and reliance on those who keep us safe). As in past years we will have an act of remembrance at the war memorial at 11am.

Finally; November also sees the end of the annual cycle of the church year and getting ready for the new one on Advent Sunday. I've just heard that Rays Voices (our community choir) are using the church for their Christmas concert, Thursday 7<sup>th</sup> December: Fantastic and what a great way to get ready for Christmas coming.

With every blessing, Glyn

# 'Ray's Voices' **Kilham Community Choir**

Lazy, hazy days!

'Ray's Voices', our village choir, is back in business! After our summer break, we started the new season off with a good turnout and in excellent voice. We discussed future plans and you'll be pleased to know that we voted unanimously to repeat the 'Concert for Christmas', which proved to be so successful last year. It will be in our church, All Saints', on Thursday, 7th December. Since this is primarily a village event, tickets will be just £5 (accompanied children from Kilham School, FREE). Profits will be shared between All Saints', (as a thank you for giving us such a wonderful venue for the concert and rehearsals), and the charity MIND. There will be a raffle and light refreshments will be provided by the Friends of All Saints' Church. Tickets will be available during November in the Village Stores and from various choir members. It was a sell out last year, so don't leave it too late to buy your tickets. Need more information?...., call RevRay on 420062. Everyone is welcome to come and try out 'Ray's Voices', especially if you are a newcomer to the village - it's a great way to get to know your new neighbours and we have a lot of fun. We start at 7:30pm, in The Olde Star every Thursday evening. We look forward to meeting you.
