YOUR NHS SERVICES ARE CHANGING IN THE EAST RIDING.

From Wednesday 4 April 2018 three new Urgent Treatment Centres will be opening in Beverley, Bridlington and Goole along with two 8 to 8 Centres in Driffield and Withernsea. These new services will replace the current Minor Injury Units in Bridlington, Beverley, Driffield, Goole, Hornsea and Withernsea.

If you have an urgent injury that is not serious, life or limb threatening, then your nearest Urgent Treatment Centre or 8 to 8 Centre can provide assessment, advice and/or treatment.

You can walk into an Urgent Treatment Centre. However, you do need to book an 8 to 8 appointment by ringing NHS 111.

The information opposite gives you details on the opening times of the new Urgent Treatment Centres and 8 to 8 Centres, along with the date and times the old Minor Injury Units will permanently close in each local area.

If you are unsure, contact NHS 111.
