New additions this year were displays from Wolds Gymnastics and Yorkshire Bouncers Flyball team. Driffield Radio 107.2fm also added to the great atmosphere.

Our have a go sporting theme continued to be a great success with record numbers of children across all age groups taking part. Kids (both small and not so small) enjoyed the competition of the sports races. In total the KPFA raised over £1400 from the Parade, Tug O War, Raffle and Bar (supported by Lucy Savile at The Old Star).

A huge thank you to the many volunteers that contributed to the success of the event. These funds will go towards our new Willow Tunnels planned for the Winter as well as ongoing improvements to the play area this summer.

As well as the KPFA, the event supported fundraising for other local community group stall holders Kilham WI, Rudston Rascals, Friends of Kilham Church, Burton Agnes Youth Club, Kilham School PTFA and the North Wolds Lions.

### Community Orchard

Liz Sellers' application for a pack from the Woodland Trust of 105 Orchard Fruit Saplings has been successful. Due to arrive in November we will be planting these up at the Playing Field. This will form part of our plan for a wildlife walk around the field next year. Any volunteers with spades will be gratefully welcome to join us. Best get polishing up on those fruit pie, cider and gin recipes in anticipation of bumper crops in years to come....

Headteacher: Mr R Palmer

Dear Villagers,

I can't believe that we are heading into the final week of the Summer term and what a week it has been! Last week the year 5 and 6 children had a fantastic time on our week-long residential to Cefn Lea in Wales. This week we have been busy with sports day, our PTFA Summer disco, children meeting their new class and class teacher and all children singing their hearts out during the little and big sing at the Spa in Bridlington.

Cefn Lea.

During our Cefn Lea visit the children were involved in several challenging activities including raft making and sailing, zip lines, high ropes courses, a leap of faith, climbing mountains, indoor caving, sleeping in a room with friends and climbing. The children had a fantastic time and will have made memories that last them a life time. Here are some of their memories below.

Some of our happy memories from Cefn Lea are: whenever you said you felt ill on the bus, Mr Palmer would come and drench you in water, the boys beating the girls in rafting and everybody climbing Glog Mountain and eating lots of Haribos.

Our Year 6 leavers at the top of Glog Mountain.

### **Traditional Sports Day Monday 8<sup>th</sup> July**

Congratulations to all of the children from all of the different houses across the school who represented themselves and their teams so well during sports day. The weather was kind to us and it was great to see so many close-run races and children proudly and enthusiastically competing for their houses. Special mention must go to all of the Yellow Team who after a very close run day were the school's sports day champions for 2019 – Go Team Yellow. One final mention – thanks to all of the staff for being such good sports during the hula hooping and well done Mrs Aconley – a very Impressive display.

### **Summer Disco.**

Thanks to all of the members of the PTFA who helped organise and run the summer disco, they raised £38.00 but more importantly a considerable number of children and staff across the school had a great time dancing the night away and collecting glow sticks.

Just leaves me to say— have a wonderful summer holiday enjoy spending time with friends and family.

See you all in September for another busy academic year at Kilham C of E Primary School.

Mr R Palmer - Headteacher.

INSPIRING WOMEN

At our June meeting Lesley spoke to us about her “Dolce Vita” and we met many of her multinational friends and saw the beauty of Italy through the lovely photos she showed us. We sampled prosecco, tiramisu and limencello. Sue from Nafferton WI, the delegate to the National meeting in Bournemouth, told us about the meeting and the results of the Resolution debate.

We hosted the Federation quiz semi-final which was enjoyed by all, with the Kilham team not disgracing itself by any means. The cinema outing was to see either Fisherman’s Friends or White Crow.

The stall at the Fun Day made a healthy contribution to funds and the Tug of War Team was enthusiastic!

The visit to Ryedale Folk Museum was a great success with members joining in with the activities.

We also enjoyed an Afternoon Tea at Eastfield Garden Centre and several cinema visits.

The July meeting was Bell Ringing at All Saints with Richard Zerny which was enjoyed by all. It was most interesting and informative and several members had a go at ringing the bells for themselves.

Kilham WI meets the 2nd Tuesday of the month (except August) in the Village Hall at 7.15pm. We usually have a social event every month too.

If you would like to come along to any of our meetings you will be made most welcome.

## **Kilham Neighbourhood Watch**

Anita Harrison            01262420632

Emergency Police        999    None-emergency 101

There is a white Mitsubishi pickup type vehicle using our roads in Kilham as a racing track coming around the Church corners or very near there at around 60mph. We think the Reg is LA55 WWC. If you are the owner of this vehicle BE AWARE you are being watched by the many people who think you are an idiot, driving at these excessive speeds through a village where there is a school.

Make no mistake, the police have been informed and the Neighbourhood Watch team will be on the lookout. How dare you abuse our village like that, if you want to show off with your driving, go and find a race track.

Dog fouling is still happening – do you not watch your dog defecating? Most people do, but there are a few who think they don't have to – believe me you do and **YOU MUST** because children are trailing dog muck into school off the streets.

If you need any help or advice, ring me. Anita

## Ray's Voices

It's that time of the year again -HOLIDAYS - and Ray's Voices is no exception. We will be taking our annual break from the end of July until Thursday 5th September. Our grateful

thanks go to the award-winning Old Star, for providing us with a practice room, which is always set up ready to use.... much appreciated, Lucy and the Old Star team.

The end of our year saw two quite different performances. The first was when choir member, Chris Shanks, requested that we sing at his wife's funeral at the end of July. As many members were available during the day, they attended and we thank Chris for inviting us to share in that Service. We all send our love and deepest sympathy to Chris on his sad loss.

The other end of the spectrum saw the choir singing at Burton Agnes Jazz Festival. The festival was first held in 2007. It is one of three, annual, jazz festivals on the East Coast; the other two being Hull and Scarborough. It is unique in that it is held in such beautiful surroundings, with all performances within the grounds. We performed on the Sunday afternoon, singing in the Great Hall, which is a wonderful venue. Afterwards, our conductor, Steve Harris, said, "It was a beautiful place to sing in and our performance was brilliant. My favourite performance so far"! Our thanks go to Steve and to David Cooper, deputising as accompanist for RevRay who was unable to attend.

When we return from our break, we will be building on our repertoire and preparing for three events planned for the Autumn. One is the East Coast Festival of Choirs and Voices 2019 in Bridlington on Saturday 2nd November 2019. We were invited to sing this festival last year and we found it to be a great experience. The second event will be our now famous, annual 'Concert for Christmas', in All Saints' Church, here in Kilham. That is always on the first Thursday in December, so put 5th December in your diary, for this is an event not to be missed. More information in the next Kilham News. Two days later, Saturday 7th December, we will be singing at the Rotary Club of Bridlington's, 'Festival of Christmas Trees', in St John Burlington Methodist Church, St John's Street (opp Brighams) in Bridlington. So, there you go - by the time we have had our break, we will be 'raring' to go. So, if you are new to the village or just keep thinking 'shall I'? ... just go for it you have nothing to lose and you just might surprise yourself! Membership is £1 per week. Hope to see you 7:30pm, the Old Star, Kilham, Thursday, 5th September. Have a great summer.

### Kilham Parish Council

Each year the parish council takes on a project, this year it was decided to revitalise the playground at the village hall. All the play equipment is currently being repainted, including the gate, a big thank you must be given to Cllr David Tanner who is given his time to do the work.

The perimeter fence is scheduled to be painted and the bench and picnic bench are to be replaced with new ones including placing permanent bases down. We hope that the work being carried out does not cause any inconvenience to its users.

On your travels around the village you may have seen individuals quietly litter picking the lanes and verges in Kilham. These are local residents who give their time to keep Kilham looking clean and tidy. The parish council on behalf of the village would like to say thank you to each of you.

If you wish to be involved in your village why not consider joining the parish council as a councillor, for further details contact the clerk of the parish. Our next meeting is on Monday the 09th September, 7.30pm in the village hall, all are welcome to attend.

A **Lasting Power of Attorney** is a legal document that enables you to choose one or more people to make decisions and act on your behalf in connection with your finances, property and your personal welfare should you become physically or mentally incapable of dealing with your affairs. That could be as a result of illness, an accident or old age. We can prepare these documents for you and ensure that you comply with all of the statutory requirements including registration. **TIP OF THE MONTH** : UNMARRIED PARTNERS MAY GET NOTHING in the event of death if the deceased partner has not made a will and the two partners are not married or in a Civil Partnership. The simple solution is for both partners to make wills. Without them it may or may not be possible to make a claim and if it is then it will be likely to be a protracted expensive and costly process.
