Headteacher: Mr R Palmer

I am delighted to write my first article as the new Headteacher of Kilham Primary School. What a busy couple of months we have had, a success Ofsted visit with the school still being judged as good, Christmas and now onwards into the New Year.

As this is only my second full week can I just take the time to thank all of the parents who have gone out of their way over the last week to catch me before or after school on the playground to introduce themselves and check that things are going well. My first full week with children in the building has been wonderful—what a special place for learning Kilham School is. The children, staff and governors have made me feel very welcome.

Over the last couple of weeks children have been involved in a number of exciting events. A dodgeball competition at Driffield leisure centre against other local schools. After a very competitive evening they ended up coming 5<sup>th</sup> place which we are very proud of. Thanks to Mrs Atkinson and all of the parents who helped make it happen.

As always the children at Kilham C of E Primary school love to get involved in sporting events and in the near future we have children involved in an U11 boys hockey tournament and a local swimming gala at Driffield leisure centre. Good luck to all of our children.

Children in class 4 and 5 have also been involved in an Eco day run by members of the East Riding Waste and Recycling Team.

The children learnt about why we need to be responsible with our waste and how this affects the way we live. The event ended with a whole school assembly looking at what waste is allowed to go in the blue, green or brown bins and a then a parent's information session.

Robert Palmer

The meeting in December was the Annual Meeting followed by a Christmas party with entertainment from Makara Morris dancers who are a friendly group and encouraged us to join in. The social event was our Christmas meal at The Star which was enjoyed by everyone. We had a walk along Fraisthorpe beach and afterwards enjoyed a snack at The Cow Shed. Kilham WI had a table at the New Year celebration at The Star and we welcomed 2019 in style.

In January we welcomed a new member and two visitors. The speaker was Christine Snowden who spoke about Bygone Kilham. Two social events were a cheese and wine party and a visit to the Spa Picture House to see the film Gentlemen Prefer Blondes. We also visited the cinema in Beverley.

The February meeting will be the Federation Quiz.

The March speaker is Helen Harris -  
A Taste of Yoga

Kilham WI meets the 2nd Tuesday of the month in the Village Hall at 7.15pm. We usually have a social event and a walk every month too.

If you would like to come along to any of our meetings you will be made most welcome.

## THANK YOU

## KILHAM

All Saints', Kilham Appeal 2018

Thanks to our thoughtful and kind neighbours in Kilham as 57 Christmas bags were delivered for Christmas Day gifting to our less fortunate neighbours by the staff (in photo) at the Kingfisher Cafe, Bridlington.

Many are aware that the Kingfisher Cafe, on West Street is an incredible local charity that looks after homeless, rough-sleepers and needy people in our area.

Also, heart-felt thanks to The Old Star 'quizzers' who raised £174 for this appeal, and to the folks in Kilham who have generously continued to add non-perishable food, warm clothing, bedding and toiletries to the baskets at

All Saints'. With the extra funds from the quizzers and individual donations we were able to purchase items for extra Soxember bags and a good stock of socks, underwear and feminine hygiene products.

The generosity of Kilham people throughout December resulted in at least seven journeys with nearly 800 donated items for our neighbours in need and crisis to the Rainbow Centre, Scarborough, The Kingfisher Cafe and Christ Church Community Hub, Bridlington plus medical/dental supplies to Jacob's Well, Beverley.

Many thanks,  
Carol Wright

**None Emergency 101**

Hope you have all had a good Christmas.

Scammers are still trying to invade our privacy, please be careful who knows your bank details and if you are unsure about something that perhaps doesn't seem right, don't go into details or give away any information that might be detrimental to you, ask one of your closest friends for advice.

Nothing much happening in Kilham thank goodness, which doesn't mean to say we can get careless. Some villages nearby are being hammered with break-ins – lets do everything in our village to keep safe. Ring me if I can be of any help.

There might be some dog patrols circulating in the village, so dog owners who let their dogs use the grass verges as 'dumping' grounds, be aware you could be fined for being lazy and not picking the dog mess up.

Anita

Dear Friends, In February there a bit of a lull in the church calendar until the next major festival Easter, and of course the period of preparation running up to it, Lent. Easter comes a little late this year with Easter Day falling on 21<sup>st</sup> April (three weeks later than last year!) Late Easter means that Ash Wednesday (the start of Lent) comes late too and is in March. As in other years we will have a weekly Lent course and events to help us so either keep your eye on the notice board or give me a call if you're interested. In the meantime, it will be business as usual with our church-based activities: monthly community lunches, dementia support group and yoga all of which you should find details in the newsletter.

Every blessing, Glyn

## **Community Lunches**

If you would like to meet friends old and new then All Saints on the 2nd Tuesday of each month is the place to be. Come and enjoy a hearty lunch at 12 noon. We have had two very successful lunches and everyone has enjoyed themselves and are looking forward to February to see what delicious menu we have come up with. Requests welcome. We would love to see more people join us for a fun time.

It is specifically for Carers and provides an opportunity for support and to discuss freely, openly and confidentially, the problems and concerns regarding caring for someone living with dementia. Time out from caring, a cup of coffee and often a laugh, all help to offer respite if only for a couple of hours. If you are in this situation, please don't hesitate to come and join us. Contact 420062 for more information.

## **Kilham Parish Council**

Should you wish to be nominated as a parish council, contact East Riding of Yorkshire Council for more information.

## Ray's Voices

As we go to press, we are looking forward to our annual party in the Old Star. It is always a special time for socialising because we don't have time for chatting on choir nights, although there is always time before and after practice, in the bar!

Looking back on last year we chalked up some pretty amazing performances, the last one being the 'Concert for Christmas' in December. It was a wonderful community event, held in our warm and beautifully decorated All Saints' Church, where we once again offered a great programme to a capacity audience. We have already made a provisional booking for the next one, Thursday 5th December 2019.... make sure it is in your new diary.

We meet every Thursday evening and our new session starts on Thursday 31st January - 7:30pm, in the back room of The Old Star. As always, there will be a warm welcome for old, new and even ex-members who can't live without us (you know who you are!) Thinking about it for the first time? All we can say is just come and try us out - you won't regret it.

### 2018 Round Up

Following a full year of renewed fundraising and additional events, we now have over £6000 in funds. Our aim in the first half of 2019, is to update some of the current facilities. Anything leftover will be for new items or match funding for grant applications.

Thank you for the continued support you have given our events, without which, we would not be in such a great position starting the year.

We are hopeful this support will continue, so all the work planned can get done ahead of our Super Sunday summer event.

### Maintenance

We have had a second outer gate put onto the main car park area to stop people using it “out of hours” and make the area more secure. A big thankyou to Gary Edeson for his help in constructing and installing the gate.

We have also removed the ladder system up the side of the storage units to prevent children climbing onto the top of them.

We have a big list of jobs for the coming months to keep the playing field's existing facilities up to spec, and ready for some more great Summer weather.

If you are someone, who can help or volunteer in any way, it would be great to hear from you. Please contact Dave Stork 07983141477
