## October & November 2019

Community Speedwatch (CSW) is a national initiative where members of local communities join with the support of the Police to monitor speeds of vehicles using speed detection devices.

Vehicles exceeding the speed limit are referred to the Police with the aim of educating drivers to reduce their speeds. In cases where education is blatantly ignored and evidence of repeat or excessive offences is collated enforcement and prosecution follow.

CSW Online is working on behalf of the Police and communities to organise and coordinate CSW activity. Speeding is not just a local phenomenon - neither is Speedwatch.

Volunteers receive appropriate training, and are supported by neighbourhood policing team (NPT) staff. The scheme aims to cater for the problem of real or perceived speed related offending, and through partnership with the community it is to be used in circumstances that are necessary, justifiable and proportionate in order to:

- Reduce death and injury on the roads
- Improve the quality of life for local communities
- Reduce the speed of vehicles to the speed limit
- Increase public awareness of inappropriate speed

Speedwatch activity is not about interfering with neighbours' behaviour; it is a proactive solution to improve the safety and quality of life for everyone in the community. The Parish Council has arranged for the speedwatch scheme to start in Kilham so if you would like to be a volunteer please contact the Clerk - [kilhamparishcouncil@gmail.com](mailto:kilhamparishcouncil@gmail.com) for further information.

Headteacher: Mr R Palmer

Dear Villagers,

Welcome back to another school year, my first full year at Kilham C of E Primary School. From the stories that the children are telling me about the summer holidays, it sounds like lots of families have spent time at the beach, eaten buckets full of ice cream, enjoyed building waterslides, travelled to foreign lands and had fun camping up and down the country. Everybody at Kilham C of E Primary School hopes that all of the villagers had the best summer and enjoyed the good weather.

Even though school was closed to children over the holiday's work was happening on-site to support our site's security, we also had our mobile classroom painted inside and out to improve the learning environment for class 5.

### School Games Mark 2018-2019

Over the summer holidays, after a rigorous application process where the school had to show evidence of sporting achievements in the four categories below, the school has been awarded a Silver School Games Mark Award.

- + Participation - how many young people at your school are being engaged in sporting activity?
- + Competition - how many different sports are being played and how many competitions are being entered?
- + Workforce - how many pupils are involved in leadership activities alongside taking part in competitions?

Clubs - how many local links does your school have with clubs or establishments from the area?

Well done to all of the staff but especially Mrs Dean (formerly Mrs Atkinson) for her dedication and commitment to sport not just at Kilham School but within the Drifffield Area. Can I also say a massive thank you to our families for the ongoing support and encouragement you give your children to recognise the benefits of keeping active and engaging in competitive sports. Go Kilham!

## Tesco Bags of Help Winners

As well as our exciting School Games Mark news, the school also found out over the summer holidays that we were a winner through the Tesco Bags of Help Scheme. Thank you to all of the families and friends of families from the village who voted at the tills for the work that the school will be doing across the school with reading. We came second during the voting process and will be in the Wold Weekly this week receiving our cheque from Tesco for £2000. This money will be used to enhance the reading stock that we have for children who are still working on developing their phonic knowledge. If you are interested in coming into school as a reading volunteer please give us a ring.

Over the coming weeks the school will be involved in several local activities to which you are all invited.

**Thursday 3<sup>rd</sup> October 2019 2.00pm.** Children from across the school will be involved in a harvest service at All Saints Church Kilham.

**Monday 11<sup>th</sup> November 2019 11.00am.** Year 6 children will be working with members of the parish council to place wooden crosses to commemorate Armistice Day at All Saints Church Kilham. Children will also spend a minute in silence to remember all those who have lost their lives in conflicts across the world.

Mr Palmer

## **Lifestyle—SSR**

We have set up a lifestyle team called SSR. Lifestyle is a scheme set up by Humberside Police for young people to take on a community challenge. Our team has noticed that all the dog poo being left in fields is an issue in Kilham.

We have raised enough money to buy a poo bag dispenser – thank you to everyone who bought a raffle ticket at the Old Star pub quiz in August.

This dispenser will be fitted near the footpath to Bracey Bridge, near to the new bin o th Parish Council th t will be sited on Bakehouse Lane. You can't have missed the signs we've put up around the village too! Please use the bags and bins and keep our village clean.

Signed SSR

(Shaw, Savile, Rawson)

## **Latest additions**

Liz Sellers' application for a pack from the Woodland Trust of 105 Orchard Fruit Saplings has been successful. Due to arrive in November we will be planting these up at the Playing Field. Any volunteers with spades will be gratefully welcome to join us. Best get polishing up on those fruit pie, cider and gin recipes in anticipation of bumper crops in the autumn to the north around the field next year.

We are also looking at installing a willow den play area attraction throughout Winter. Both should provide welcome additions for you and your families to enjoy for years to come.

For further information or to volunteer for any aspect of our events please contact Nicola Knaggs 07765932387, Liz Sellers 07894202806 or Kate Albutt 07850256764. Like and follow our facebook page Kilham Playing Fields Association for more information

## **Kilham Parish Council**

At the parish council meeting this week, our guest speaker was Mr Wayne Goodwin the Community Speed Watch Coordinator from Humberside Police. He gave an interesting talk on the Speedwatch initiative which allows local residents to be trained to use the speed radar, the information they collate is then passed onto the speed watch team who can take appropriate action with the speeding motorist.

To date a small team of volunteers have put their names down to be trained but if you wish to be involved please email the clerk at [kilham-parishcouncil@gmail.com](mailto:kilham-parishcouncil@gmail.com) with your details.

## **Indoor Bowling**

The new season of indoor bowling starts at Kilham Village Hall on Friday 11th October at 7pm. The session is for two hours and new members with or without experience are very welcome and bowls can be provided if necessary. For further information contact Jean Wilson on 01262 420664.

## Ray's Voices

It's getting serious.... we are sounding like 'pro's' and time is of the essence! Seven weeks to our first gig of the new season and rehearsals are underway for

the first of our 3 concerts before Christmas! It is the East Coast Festival of Choirs and Voices 2019 in Christ Church, Bridlington on **Saturday 2 November**. We sang this festival last year and surprised ourselves with the standard we achieved! The venue is fantastic acoustically, we sang well and had great feed-back. The event is open to the public and there are other choirs to enjoy and refreshments are available, so please feel able to come and support us and enjoy the event. We are performing after lunch, so get there early for a good seat.

The new session started in September, and has brought good news and bad news! The bad news is that there seems to be a number of members suffering from various health issues but with hopes of attending soon. We wish them well on their road to recovery. The good news is that we have a number of new members, in particular, MEN (much sought after by choirs)! We lost two of our stalwarts earlier this year, Matthew Porter and Andy Shaw, due to relocation. Their departure left us thin on the ground in the tenor and bass sections. However, that has been rectified with three new male members, so we are now boasting a strong line-up in all parts.

As mentioned in the last edition of Kilham News, our traditional 'Concert for Christmas' is on **Thursday 5th December** in All Saints' Church, here in Kilham. Tickets remain at £5, including light refreshments, (accompanied children up to 12 - Free). and will be available from the middle of November from choir members or call the Choir Administrator, Lynne Beebe, on 421912 if you need any other information. Two days after this concert, on **Saturday 7th December**, we will be singing at the Rotary Club of Bridlington's, 'Festival of Christmas Trees', in St John Burlington Methodist Church, St John's Street (opp Brighams) in Bridlington. Another not-to-miss event to put in your diary!

Seven weeks to our next concert..... if you're thinking about joining us, it's not too late. Make sure you come to The Old Star for a 7:30pm start next Thursday.

Dear Friends

I'm back! Earlier in the year it didn't look like I'd be writing here again (or anywhere else for that matter)

You may well have heard but after a game of squash at Bridlington leisure centre my heart stopped; but, thanks to some brilliant staff and an on-site defibrillator, I got to hospital. After a few weeks there, a spot of open-heart surgery and some careful rehabilitation, here I am telling the tale and enjoying life. Things have gone really well on the rehabilitation front and I'm feeling pretty much like my old self (I've cut back on the squash though)

There are so many people I want to say thank you to (I could fill the whole Kilham News telling you of the kindness and support I've had) but perhaps I should start here by saying a huge thanks to all you village folk who through your lovely words, thoughts, cards and prayers (which worked by the way!) have sustained me through a tricky time. Also it's been so heartening for me to see all at church not just keeping the show on the road but continuing to grow and care for our community.

I'll keep taking it easy for a while but put me back on the radar, feel free to get in touch and, God willing, your vicar will be firing on all cylinders soon

Every blessing,

Glyn

Many thanks to all who supported the bingo on 28th June—We raised £161 and well done to Stuart Kennedy for running the Great North Run in aid of prostate cancer.

There isn't a formal WI meeting in August but we did have a fantastic treasure hunt round the village. It didn't help that it poured it down with rain but those that completed it really enjoyed it. Thanks to Anne for organising the clues. This was followed by a delicious afternoon tea at The Star where Louise was presented with the prize for getting the most clues right – 49 out of 50! Several ladies attended the Hutton Cranswick WI Strawberry Tea and others went to the cinema in Bridlington.

At the September meeting we were entertained by Paul Robinson – The Laughing Gardener. He told us about poisonous plants and then asked for a volunteer to taste a mystery liquid he had brought along. Denise bravely stepped up to the mark and was happy to find the mixture contained banana, strawberry and blueberry. This month we went to the cinema in both Beverley and Bridlington to see Sometimes Always Nev-er, Downton Abbey and Some Like It Hot. There was also an afternoon tea at The Stove in Cranswick.

The speaker in October is Carol Wright talking about Project Linus and in November we hope to have a Christmas Craft meeting.

Kilham WI meets the 2nd Tuesday of the month (except August) in the Village Hall at 7.15pm. We usually have a social event every month too. If you would like to come along to any of our meetings you will be made most welcome. We had nine visitors in September. For more details ring Christine on 420105 or Shirley on 420650.

## **“CRAFT & CHAT” GROUP**

We meet in the Kilham Methodist Church Hall on the first Monday of each month from 1.30pm - 3.30pm. For further details contact Jackie on 07775716112.

## **FRACKING/DRILLING IS STILL HAPPENING And not that far away...**

Whilst the subject remains very quiet locally, if you are not aware, drilling for Oil/Gas is ongoing only 20 miles south of Kilham at West Newton. If they find anything, Rathlin Energy have permission to drill at least two more wells near Sproatley and Burton Constable Hall. The operator has PEDL permits (Petroleum Exploration and Development Licence) to extend their activities to 241,000 acres of East Yorkshire - this could easily be us next along with the rest of the local area! Large quantities of Hy-drochloric Acid are being pumped down to dissolve the rocks to release any oil and gas to ascertain viability. This would be repeated many times over if operations are expanded. The drill pipe goes through our underground water supplies... Any damage to this would no doubt have disastrous effects for us all...

Please think about what is being done. Are you happy with the potential effects of such industrialisation of our countryside?
