It is with great sadness that we had to say goodbye to Pete Boyes, who died unexpectedly on Friday 15th October. Pete, who lived in Kilham all his life, passed away at Castle Hill Hospital in Cottingham, aged 72, after suffering heart failure.

Pete had been involved in the family business, G Boyes Garage in Chapel Lane, Kilham - which was established by his father George - for more than 50 years.

His son Cameron said: "We have been so overwhelmed with everyone's kindness and would like to pass on our thanks for the many messages of support since my dad passed away unexpectedly."

"We would also like to place on record our gratitude to the staff at Castle Hill Hospital for everything they did to try and save his life."

It will be business as usual for G Boyes Garage which will continue to operate with Simon Rhodes as the manager.

Pete's funeral was held on Friday 5th November, at 1.15pm at Kilham Church and was attended by so many friends and neighbours that there wasn't room for everyone in the church, and many people lining the streets to pay their respects.

All our love and thoughts are with his wife Pam, son Cameron and daughter-in-law Louise, daughter Heidi-Jayne, grandchildren Sam and Lottie. He will be missed greatly by the whole village.

## October/November Achievements

\* The Kilham 10k returned with 250 entrants and 50 entering the inaugural 1k fun run. Kindly sponsored by Bee Health, The Old Star, West Hale Gate Glamping and Raleigh Seeds Ltd we raised £2350. Thank you to those that participated either by running, volunteering, or spectating, it received fantastic feedback and we look forward to its return next year.

\* The Bonfire and Fireworks Display exceeded all expectations in terms of numbers attending. The weather was kind, and the display was amazing from Ronnie Tate and the local team of firers. Kindly sponsored by Lillys Plumbing, Simon Baker Joinery, Little Rascals, G Boyes, The Old Star and a generous donation from Alan Pattison. Although figures are not yet finalised, we estimate it will have raised approx. £4500 which breaks all records several times over for this event. We would like to recognise the volunteers who worked under pressure through-out, it was a real team effort. Thank you to those attending and contributing to the amazing amount raised.

\* Our Zipwire is now open in our adventure zone for all to enjoy, acquired through a grant from the Lissett Wind Farm Community Fund and the KPFA match funding through our events.

\* Football goal posts have also been reinstated so we have a full-size football pitch once again. Works were carried out by Kentworx, who also installed our new bike rack. This now completes the initial plan for the pump track.

## What's Next?

\* Our Treasurer, David Hamilton has acquired saplings from the Woodland Trust which will further enhance our wildlife habitat on the field.

\* Further plans for the adventure zone, with the addition of a shelter.

## Want To Get Involved?

If you are a supporter/follower of the KPFA and wish to have a vote on what goes on at the field or find out more about how we operate as a charity, why not become a member?

All our meetings are open to the village community, however only members have an active vote. Membership is free and further information is available by contacting us through our Facebook page, email [KPFA2020@outlook.com](mailto:KPFA2020@outlook.com) or speak to one of the Trustees.

In the New Year, there will be an expansion of the roles on the committee with the addition of a Vice Chair role. Anyone who is interested in joining the charity as a Trustee should email [KPFA2020@outlook.com](mailto:KPFA2020@outlook.com).

## **Christmas Event : Sunday 19 December (see poster)**

A new event for 2021 is the introduction of a light up tractor run, something which we have been planning since this time last year, when lockdown was in full swing. Our aim being to bring something special to the local area and to light up Kilham and the surrounding villages pre-Christmas in a magical way for all ages. Entry proceeds will go to the KPFA, whilst all proceeds from donations along the route will go to the Yorkshire Air Ambulance.

Keep up to date with all our plans by following our Facebook page Kilham Playing Field Association

Reflecting on 2021, through unprecedented circumstances and with fantastic local support, we have achieved all our objectives and look forward to 2022. We wish you and your loved ones a Merry Christmas and Happy and Healthy New Year

## ***News from Kilham School***

*Dear Villagers,*

*Despite the ongoing challenges of Covid 19 the school and the children continue to flourish. On Thursday 11th November children from Year Six, staff and the chair of governors, Mr Buckle joined in the annual Remembrance Service at the war memorial outside of All Saints Church Kilham. During lesson times, the children have learnt about the lives of soldiers from the Kilham area who died in WW1 and WW2.*

*At school the children completed some emotive artwork using charcoal. All of the children wrote Remembrance prayers which are now on display inside the church. As part of their work pupils wrote the names of all of the soldiers from Kilham on crosses which were presented and planted at the foot of the war memorial during the service. Many members of the local community were in attendance and joined in the 2-minute silence to remember the sacrifice of all of the soldiers who lost their lives. The service was led by Reverend Glynn Owen who finished it with a thought provoking prayer. Well done to Olivia Smallwood whose prayer was chosen by Ms Hobson to go in the centre of the wreath, which is now in place at the memorial.*

### ***Local History Project***

*Children across the school have been in a history fever this week, which culminated in a local history day around the village. Children from the school were out in the village learning about the history of the local church and some of the graves in the churchyard.*

*Other groups from the school were looking at the history of the old mill on Millside Road. Finally as part of our Remembrance service our Year 6 children were finding out about all of the WW1 and WW2 soldiers who are named on the Remembrance cross outside the church.*

*The Year 6 group have also used charcoal to produce some emotive artwork and Remem-brance prayers which are now on display inside All Saints Church. If you get a chance please call in and have a look.*

*Thank you to all of the parents who have spent time working with their children to dig WW1 or WW2 artefacts and photographs out of the loft. Many of the children have shared this information in a show and tell session with their classmates and all of the artefacts are now on display in classrooms.*

In October Bryan Woodward spoke to us about his work in the prison service. And in November Sue Dawson told us about Carnaby Airfield during WWII and the background of the memorial you see as you drive into Carnaby. Both were extremely enjoyable and informative

meetings. Anne's guided walk round the centre of the village was very well attended and we look forward to the next episode. Several ladies went to the Federation Annual Meeting at Tickton Grange, a new venue which was much admired. We have welcomed five more members and had several visitors this year. If you are new to the village or have lived here a long time and want to try something different now is the time to be part of a fellowship of more than 200,000 women. Forge friendships, learn new skills and make a difference in your community by joining the largest women's organisation in the UK.

The 10.30 am WI coffee mornings on Zoom are now held on the fourth Monday of the month and Angela will be at The Star for lunch on the first Thursday of the month if any ladies care to join her.

The computer club is in the large room behind The Star from 1pm on Friday afternoons. This is for everyone from complete beginners to those with a specific query. Gerry is usually able to sort out any problems but we all help each other when we can.

The December meeting is our Annual Meeting and Christmas Party with a quiz. In January we are having a talk on Yorkshire Air Ambulance.

Kilham WI meets at the Village Hall, 7.15pm on the second Tuesday of the month. Please come along and join our friendly group. If you have any questions please email Shirley at—[kilhamwi@eastyorkshirewi.org.uk](mailto:kilhamwi@eastyorkshirewi.org.uk)

### **Kilham Baby and Toddler Group** Calling all Mums, Dads & Carers,

We have a fantastic, fun-filled morning for babies and toddlers at the village hall in Kilham every Wednesday morning from 09.30am to 11.15am during term-time. Why not come along and meet up with other parents and carers.

Have a coffee, while you and your child make lots of new friends. For more information, please call Katie Russell. 07875049777

## Kilham Speedwatch

Kilham is a Community Speedwatch Village.

Speedwatch is a proactive initiative aimed at improving the quality of life and safety for everyone in the community. Unfortunately, there are a few members of our community and surrounding areas who think it is acceptable to speed through the village and ignore the speed limits. Their dangerous actions do little to protect the safety of our community and animals, which is why a number of volunteers have been trained by the Police to monitor and report drivers exceeding the speed limits.

Although there have been a few negative comments made on social media about the Speedwatch initiative, it is refreshing to know that we do get support from quite a few drivers who see the teams monitoring traffic with many stopping to say thank you for the job we are doing.

A good session for us is if we record no speeding motorists. A bad day is when we have no alternative but to record and report speeding motorists.

### **Vehicles monitored and reported for exceeding 30MPH**

2020

Vehicles recorded 4534 Speeding 325 Average 7.96% Speedwatch monitoring time 47 hours

2021

Vehicles recorded 7867 Speeding 306 Average 3.84% Speedwatch monitoring time 65.5 hours

Whilst we have recorded 3333 more vehicles in 2021, there were 19 less speeding vehicles. This is a drop of 4.12% from last year.

### **Repeat Offenders**

To date there have been four repeat offenders reported to Police with two drivers monitored at 37mph, one driver monitored at 39mph and one driver recorded as 55mph, 25mph over the permitted speed limit.

### **Highest Recorded Speed**

Not a record to be proud of, but one driver was monitored at 64mph whilst approaching the school, which was clearly displaying the school flashing sign of 20mph.

Maybe those in the minority who don't support Speedwatch can now understand the need and at least accept the realisation that some drivers are behaving in an unacceptable way.

## **New Volunteers**

All new volunteers will be trained by a suitably Police-approved trainer. All new volunteers will sign an indemnity confirming that they have received an initial health and safety briefing before they are allowed to participate in Speed Watch activity.

Thank you to the vast majority of the Kilham community for the support and safe driving.

**If you would like to be a volunteer please contact Gerry Horner –**

[kilhamcsw@gmail.com](mailto:kilhamcsw@gmail.com)

## **Kilham Parish Council**

The Parish Council was pleased to receive a grant from ERYC called “Do it for Yorkshire”. The grant was all about regeneration so the council took the decision to improve the village pond area. We are purchasing two new benches, a picnic bench, bird boxes, new litter bin, insect boxes, signage and plants/bulbs. By Spring these should all be in place.

We would also like to say a big thank you to Sandra and her son for tidying the Jubilee flower beds, it made such a difference. Thanks also go to Rafters of Driffield who have kindly donated this year’s village Christmas tree and to all the volunteers who erect and decorate it.

Finally, the councillors would like to wish the residents of Kilham a Merry Christmas and a prosperous New Year.

Nothing much happening but Christmas is just around the corner, so please don’t let Santa be disappointed if there aren’t any presents to be delivered because the people who steal will be on the lookout for easy pickings.

Poachers are about again, but fortunately our Police team in Driffield are very aware of them being around.

Stay safe, if you need any help, we are here at Neighbourhood Watch.

Merry Christmas.

Anita

The Art of Advent'. During Advent we will have a weekly 'Zoom' get-together to help us prepare for Christmas. For four Tuesdays of Advent, beginning on the 30<sup>th</sup> November, starting at 7pm (lasting for about an hour) we will use some images and music to look at the hidden Advent. Contact Glyn for the Zoom address

On 20<sup>th</sup> at 7pm, both in church and via Zoom, we will have a special service, 'The Longest Night'. Although Christmas comes accompanied by jolly songs and expectations for a good time that's not how it feels for many people. Maybe your year has been particularly hard (pandemic, loss, illness, estrangement) for whatever reason, and Christmas seems to highlight the difficulties. Or maybe you just want space to reflect. Wherever you are, you are very welcome to either come to church or join via Zoom for this service. Contact Glyn for the Zoom link of just drift into church on 20th

Dear Friends,

The Christmas countdown is well underway and plenty happening in the village and at church. We have a rich Church line up for Advent and Christmas and I do hope there will be something for everyone of us. I also hope it will be a time where we will have fun, celebrate, find meaning and remember the greatest gift of all; Christmas starts with Christ.

Have a very merry and blessed Christmas, Glyn

## **Nafferton Garden Club.**

The club meets on the 3<sup>rd</sup> Wednesday of the month at 7:30pm in the Village Hall, 2 Middle Street, YO25 4JS. Annual membership is £10 or you can just come for the evening for £3, which includes refreshments.

There is no meeting in December.

Our meeting in January will be on Wednesday 19th January 2022 and will be Mike I'Anson talking to us about "**Gardening month by month**". Hopefully, a useful guide of what we should be doing and when.
