

KILHAM NEWS

February & March 21

It is with great sadness that we let you know of the passing of Kate Nellar. Kate worked at Kilham school for over 20 years as a Higher Level Teaching Assistant. She was diagnosed with cancer 5 years ago. It has been a long fight that she has born with a cheerful disposition, loads of determination and a zest for life throughout. During the last 5 years she has remained a member of staff and was extremely frustrated not being able to be in school. Her positivity was second to none and this was appreciated by hundreds of children over the years who would confide in her, listen and act upon her advice. This was not only through her work as an Emotional Literacy Support Assistant, but on a day-to-day basis – she was a person children knew would always be able to help. She loved crafting and led children in lots of activities in DT lessons, with lots of imagination and enthusiasm. Always one to go the extra mile, when we did a Harry Potter Sleepover she made every child a wand, another time she knitted all the Year 6's an Easter chick to go around a cream egg!

Most of her support was with the older children in Year 5&6 classes, where she helped to fill the gaps in children's learning. She and Mrs Dean (Atkinson at the time) sparked off each other writing many poems for Year 6 leavers, staff who retired or moved on, in fact any excuse. As well as her poetry ideas, she helped give confidence in performance to shy children spending time preparing their parts in many Christmas productions – enhancing the plays with extra musical clips to add humour. She loved music – but hated recorders!

Kate liked competitions and entered lots – none of them physical! We receive Top Trump sets every year – not sure why we still get them, but Kate applied for something on a web-site. Over a year ago, she turned up with several boxes of Dettol hand wash – think she must have had some insight...

Her work spread to the village community. She once did a project with Year 6 children to reduce dog dirt in Kilham. They had yellow spray paint and templates of a dog pooping and marked trouble spots and it had the desired effect. She was also a valued and loved member of the village choir. See inside for more tributes to Kate.

ALL ITEMS FOR INCLUSION IN THE APRIL/MAY EDITION OF THE NEWSLETTER SHOULD BE SENT TO:
gerryhornerkpc1@gmail.com BY MARCH 15TH PLEASE

Her fiancé, Mark Buckle, is a school governor and has a similar dedication to our school and the village community. Kate also leaves her eldest daughter Beth, who works in finance in Leeds, and her younger daughter Abbie, who has followed her footsteps and is our great Class 4 Teaching Assistant. She also leaves her much loved sisters, Jenny and Rachel, and many other family members and friends who will miss her so much.

The school will be planning something very special with the children to keep her memory alive, but if anyone would like to make a donation to Marie Curie in her memory, Abbie has set up a justgiving page or you can donate directly.

All Saints' & Kilham
School Appeal

Our hearts are heavy as we say goodbye to choir member, Kate Nellar. Kate loved being a member of Ray's Voices. She loved singing and enjoyed the fun and friendship that our group offers, when she was well enough to attend rehearsals. She will be sorely missed by

choir members and by the many people who were privileged to call her 'friend'. Our condolences and deepest sympathy go to her daughters Beth and Abbie and to Mark, her fiancé, on their loss. On behalf of Ray's Voices, our administrator, Lynne Beebe sent a card and donation for Marie Curie organisation (as requested by the family). May Kate rest in peace and may all who loved her be comforted, especially by the thoughts and prayers of many, many people.

It's not always a good thing to 'look back' but we might look back on 2020 and be glad to say goodbye. So many crises, so many changed plans, disappointments, sadness's and for Ray's Voices, well obviously everything just had to stop. All our lovely plans for various performances and concerts ground to a halt. Even our favourite 'Concert for Christmas' in All Saints' Church, here in Kilham, could not go ahead. However, that was last year. Looking forward, although still full of uncertainty, we can all grasp at HOPE; hope that this year will see things returning to normal; hope that Rays' Voices will be able to reform and perform, hope that this pandemic will soon come to an end; hope that, like the snowdrops, crocus and daffodils flowering in our gardens and the hedgerows greening, we will rise up and claim our lives back. May we go forward 'With hope in our hearts...' as the song says. Until then stay safe and well everybody.

Thanks to Lucy and her team at The Old Star for keeping the kitchen open, at this time of lockdown, for take-away/delivery meals. Excellent! Also to Boyes Garage for the timely opening of the new village shop. We wish you all success. Well done everyone and thanks again. RevRay and Brenda Eveleigh'.

The December meeting was a magical one. Wayne Trice of Magic in a Trice showed us how to do some simple magic tricks and demonstrated some not so simple ones himself. Again we had good attendance, including all four of our new members; Sue, Maria, Lucy and Katie. The Star kindly donated a meal voucher for the raffle, which was won by Jackie C. The other raffle winners were Pat, Angela and Denise.

In January we heard from Julie Waites – An Inspiring Woman. She told us how she left her comfort zone and went on various sailing adventures. Julie encouraged us to go for our dreams and her adventures can be seen on www.shesetsail.com.

Amongst the comments we received afterwards were - 'Would like to say how much I

enjoyed the Zoom session yesterday evening from Kilham, it was so inspirational.' 'What a fabulous woman Julie is. She certainly delivers a powerful message.' 'Great presentation last night. Really enjoyed it.' 'What a wonderful speaker last night, Julie was very inspiring, Thoroughly enjoyed it.'

February's talk is by the Handwritten Letter Appreciation Society who aim to bring together people who love to write and receive handwritten letters and to inspire everyone to keep writing them to each other.

In March we are going to have our colours "done".

The WI chats are on Zoom on Monday mornings from 10.30 and Thursday afternoons from 2.30pm. If you would like to try Zoom but are not sure how then give me a call and we can have a go. If you would like to come along to any of our "meetings" you will be made most welcome. It is possible for everyone to join in a meeting even if you don't want to use or don't have the facilities to Zoom. All you have to do is ring 02034815237 from your phone putting in the ID Number followed by # # and you will be able to hear and speak at the meeting. It will be charged as a normal phone call so remember with most phone packages you have to hang up and redial after 59 minutes. For more details ring Christine on 420105.

Diary Dates KPFA

The KPFA team hope this update finds you and your loved ones safe and well.

As I write this, we are amid Lockdown 3, whilst our green space and playground are still open to enjoy, our multi surface court and tennis courts will remain closed until we are given permission to open them again. Please always adhere to the latest government advice.

Shamrock Shindig

In our last newsletter we announced that we would issue refunds for those who have purchased our Shamrock Shindig tickets. We would like to express our heartfelt thanks to those who have been in contact and donated their ticket money to the KPFA. We were unable to hold any of our planned events so this is really appreciated.

We do have every intention on putting on the most amazing party we can offer, when allowed, but we no longer felt it appropriate to hold onto people's money without a confirmed date. We thank you for your continued support and patience and hope you will buy tickets again in the future.

Anyone yet to request a refund please get in touch with Nicola 07765932387 so one can be arranged.

Plans for 2021

To create a wildflower meadow area around a perimeter section of the field.

To add additional play and sports facilities to the field for all the family to enjoy. Although events in the first half of the year appear uncertain right now our hope is for the latter half of the year that the Kilham 10k and Bonfire Night can still go ahead. We are also working on an amazing Christmas event for all the family, so watch this space.....

Keep up to date with all our plans by following our Facebook page Kilham Playing Fields Association

Take care and stay safe

Dear Friends,

During this national lockdown we have decided to suspend public worship in church at Kilham and also across the benefice (our group of 8 churches) The church here will remain open during the day for individual private prayer and will be available for funerals

We will continue to have a 'Zoom' service every Sunday at 11am and every Wednesday at 10am. Please email Glyn for the Zoom links.

We will wait to see how things unfold and what new guidance emerges. Things are likely to change so for up-to-date information on what's happening in Kilham and around please check both the church noticeboard and the All Saints, Kilham section of the Church of England's web site: A Church Near You:

February brings with it Ash Wednesday and the start of Lent. Throughout the centuries Christians have looked on Lent as a very special time for spiritual development. To help us we will have a weekly 'Zoom' Lent course. Starting on Tuesday 23rd February, and running for five weeks, we'll journey through Lent together; all are very welcome. Contact Glyn or check the church notice board/website for further details.

With every blessing, Glyn

A prayer for these times:

Keep us, good Lord,
under the shadow of your mercy
in this time of uncertainty and distress.
Sustain and support the anxious and fearful,
and lift up all who are brought low;
that we may rejoice in your comfort
knowing that nothing can separate us from your love
in Christ Jesus our Lord.
Amen.

Police Emergency 999 Non-Emergency 101

Hope you have had a good Christmas despite everything else that's happening around us. Two people in Kilham have had a visit from a person dressed up in a fire officer's uniform, the person was not a legitimate fire officer and should not have been making a visit on Pasture Close without a prior appointment. Fortunately, the person whose house he visited rang her daughter who immediately rang the police who said under no circumstances should anyone be visiting houses during the pandemic with no prior appointment. If you think there is something suspicious about anyone calling unannounced, ring the police—they are probably not who they pretend to be.

If the Neighbourhood Watch team can be of any help don't hesitate to ring.

There is a scam going round. It starts by saying the user is eligible to apply for the vaccine and to click on the link in the next message and pass on your details – name and address, DOB, proof of address and payment details. DON'T DO ANY OF IT. This message has come via Community and Crime Reduction Resilience Officer for the East Riding of Yorkshire Council.

Stay safe, any help needed just ring. Anita.

Concerned Resident: -

Prior to Christmas my husband, a responsible dog walker, returned from his morning walk and made the observation that dog fouling was on the rise again in the village. In the Christmas spirit of good will to all men/women I put forward an excuse/reason.

The year 2020 had seen a rise in dog ownership and perhaps those who had never owned a dog before were not aware that it is an offence (fixed penalty £75) to allow your dog to foul on pavements **and** grass verges and not clear up afterwards. Or, perhaps after spending exorbitant amounts on puppies they could not afford 'poo' bags. Here I digress for an advert for Lidl Lupilu Nappy Sacks, 85p for 150 bags large enough to fit any size hand with the added bonus of being perfumed or as they say in the media, other nappy sacks are available. Apologies, I went on to say that perhaps they didn't realise that any litter bin can be used to put your bags in except for those marked food.

Sadly, my Christmas good will etc excuse was met with a jaundiced eye look from my husband. He thinks that there are dog owners in the village who just don't care.....Surely not?
