We will be stocking daily papers with regular orders welcome.

We are looking forward to welcoming customers OLD and NEW.

The October meeting via Zoom was very well attended with 20 of us hearing about the members of the very first WI committee in Wales. Though this was interesting it wasn't quite what we were expecting! However, a pleasant evening was had by all. The No-venber meeting was a craft one. Felicity Jennings of Spa Sweethearts WI in Harrogate showed us how to make a simple Christmas decoration and how to adapt it for cards and even Christmas tree shapes. This meeting was even better attended than the last one with 27 of us, including 3 of the 4 new Kilham WI members, enjoying a chat and a chance to show off our crafting skills. The raffle winners were Chris B, Ruth and Jackie F.

We have a full programme arranged from now till March. Wayne Trice from Magic in a Trice is our December speaker and in January we will be inspired by sailor and business woman, Julie Waites.

The WI chats are on Zoom on Monday mornings from 10.30 and Thursday afternoons from 2.30pm. If you would like to try Zoom but are not sure how then give me a call and we can have a go. If you would like to come along to any of our "meetings" you will be made most welcome. For more details ring Christine on 420105.

KILHAM VILLAGE HALL ASSOCIATION

With the exception of the Post Office which continues to operate on a Wednesday afternoon between 1.00 p.m. and 4.00 p.m., the village hall remains closed until further notice. As the time goes on, and we are now finishing another lock-down and entering tier 3, with ever increasing infection rates, it feels like a lifetime since we were all able to get together and socialise in our lovely village hall. Rest assured we will be waiting to welcome you back, friends old and new, with our brand new tables and chairs and all the facilities you have come to expect, once life returns to some sort of normality. Hopefully, in the New Year!

In the meantime, the Committee would like to take this opportunity to wish you all a happy, healthy and, most importantly, Covid free Christmas and New Year. Stay safe. If you need to contact us—email kilhamvillagehall@gmail.com

Craft and Chat

As a result of Covid 19 and the impending closure of the Kilham Methodist Chapel at the end of November, a decision has been made to disband the Kilham Craft and Chat Group. I would like to take the opportunity to thank all the members for their generous donations of items they've made for charity over the years and to Kilham residents who have supplied yarn and monetary donations. Using the leftover yarn, I have knitted adult hats which have been sent to two homeless charities.

The small amount of money, held on account, has been donated to the "Helping Hands, Knit and Natter Group" in Driffield, towards postage of charity items that cannot be delivered locally.

Ray's Voices.

During the war, there was a saying 'All's quiet on the Western Front' (which you may remember if you're old enough!) Well, you could say that about Ray's Voices activity in the last couple of months. However, things are looking up. At last

RevRay has been able to produce the parts for 'Mr. Sandman', with a couple of others in the pipeline. If choir members have been checking, they would have wondered what had happened to the Maestro's promise to publish the parts of some new songs. Well, there was a delay because he had been drawn out of retirement to lead a Zoom, one day, international, taster Jazz Workshop. As you can imagine, this took up all his time but that event has happened (and was hugely successful). Now he's been able to fulfill his commitment to the choir. The details for members are on a link published on Facebook's 'Ray's Voices' page. As well as this opportunity to learn new songs for our repertoire, Lynne Beebe, our Administrator came up the wonderful idea that we could go Carol singing at various venues around the village. This was received on Facebook with great glee, even some folk who are not in the choir want to join in. So far, so good. We had hoped to be able to let everyone know where, when and how we could achieve this but - with current Lockdown and Tier 2 restrictions, all we can do is give a rough outline of what we HOPE will happen. The general idea is that there will be carol singers somewhere in the village **from around 7:30pm on the evening of Thursday 17th December**. Depending on restrictions, we will either sing as one big group or, if the Rule of 6 still applies, there may be groups of 6 singing at different venues simultaneously. Arrangements will be very last minute, unfortunately way after publication of this magazine. The hope is that you might listen out for us that evening - come to your door give us a wave and we can shout our Christmas greetings. It could be fun but of course, it depends on restrictions. If we're in lockdown, it won't happen – but, from Ray's Voices, we wish everyone in the village a Happy Christmas and a bright and better New Year anyway!

Kilham Parish Council

After a year most of us would rather forget, the Christmas tree located in the Memorial Gardens will hopefully bring a welcoming splendour of colour and sparkle to the village main street. This year the Parish Council has purchased the tree and we would like to say a big thank you to Lucy Savile for ordering the tree and the team of volunteers who give their time to erect and decorate it.

The playground by the village hall has been given a new lease of life thanks to Multipurpose Cleaning who, a couple of weeks ago came and gave the play equipment and the play surface a deep clean. The playground is open for the children to use but we ask that social distancing is maintained and that you regularly sanitise your children's hands.

Finally, the councillors would like to wish the residents of Kilham a Merry Christmas and safe New Year.

Welcome to Kilham Church of England

Primary School News.

Despite the challenges of running a school during a global pandemic I am delighted to share with our community how well our local children are doing. Kilham School has been open every day since September with the support of our school family. Thank you all for your support, understanding and patience over the last six months as we have dealt with the lockdown, partial reopening and now a full reopening in our COVID secure school environment.

Over the last couple of months, it has been brilliant to catch up with ALL of our children and to see our school providing a high quality of education. As part of our reopening plans, we have provided catch up programmes for those who missed so much learning in our seven-month closure. As we are well into the second lockdown , we aim to keep things operating as normally as possible and keep providing the best education possible to all of our students.

Over the last couple of months, the school has been involved in many fundraising activities to support local and international communities. This work was linked to our Christian values of caring, justice and compassion.

Non-uniform

Well done to all of the children and families from Kilham Church of England Primary School who joined in our non-uniform day before half term which was in red, green and black, the colours of the Malawian Flag.

The school received £220.00 in donations which buy 5 new stoves for families in Malawi. Thank you so much for your support and generosity.

Harvest collection.

During our work linked to our Harvest Festival, staff from the school delivered all of the products that you had donated as part of our Harvest collection to the Foodbank in Driffield. As a school we collected over 234KG of tins and dried foods which is the average weight of an ox. This is a considerable amount of food that will support families in our local community – thank you to everybody who donated something, it will make a difference to local families in need. [Malawian Stoves Project – Artwork in the Church](#)

Congratulations to children from Year 3 and Year 5 who have produced some wonderful artwork which is now on display in

the All Saints Church - Kilham.

The artwork depicts a Malawian village and gives information about how our non-uniform donations were used to buy stoves for Malawian houses and to help Malawian families.

Hopefully you will be able to visit the church in your own time to have a look at the amazing artwork. The church is open every day between 10.00 am and 4.00 pm

Diary Dates KPFA

Shamrock Shindig Update

This year has been completely unforeseen, and we have had to postpone this event on two separate occasions. Unfortunately, entering another Winter period with a second lockdown we are still unable to set a new date. With this in mind, we would like those who have purchased tickets, who have not yet requested refunds, to please get in touch with Nicola 07765932387 so one can be arranged. We do have every intention of putting on the most amazing event we can offer, when allowed, but we no longer feel it appropriate to hold onto people's money without a confirmed date. We thank you for your continued support and patience and hope you will buy tickets again in the future.

Retirement

Andy Scarth, our groundsman at the Playing Field is retiring. We would like to thank Andy for all his work at the field over these last years. He has done an amazing job for the village community and has always been the first to offer his help on any of our extra projects.

Invitation for Expressions of Interest: Grass Cutting Tender

With Andy retiring and the equipment we have, getting "tired" we have decided to take a different approach towards our grass cutting requirements.

- The Main Field area approx. 5.86 acres
- The Amenity area approx. 1 acre to include the Southern area of the field surrounding the grass and hard surface courts, playpark, sand pit and willow maze. To include grass cutting and strimming and/or weed control around the equipment perimeter areas.
- Grass Tennis Courts approx. 0.32 acres to be cut with supplied equipment and marking out of courts, also using supplied equipment.

Those expressing interest should hold relevant insurance documentation and risk assessments to cover such work.

Anyone wishing to be sent the full information on any of the tenders above should email KPFA2020@outlook.com stating which they are interested in, or for more details call Liz 07894202806 or Nicola 07765932387.

Expressions of Interest should be declared by 18th December with tender packs being out 4th January for completion by 31st January.

We hope our green space and facilities offered you and your loved ones a place to relax, enjoy and make memories in 2020.

**Wishing everyone a very Merry Christmas and a
Happy and Healthy New Year**

**It is with great sadness we announce the closure of
St Paul's Methodist Church.**

The final service will be held in December or January. The present church was built on this site in 1907 and it replaced an older Wesleyan Church. Dwindling congregations, illness and Covid have contributed to the closure.

Many thanks to all who have supported the Methodist Church over the many years.

Christmas is going to be different this year but we will work to get the most out of this wonderful season. Our church will be decorated and hold Christmas themes and stories. To help us get the most out Advent we will have a weekly 'Zoom' course (if you're interested email Glyn for the Zoom link and more information)

Dear All,

Revd Glyn has asked me to introduce myself as the new Assistant Curate of All Saints here at Kilham. I also will be serving across the Benefice (alongside Glyn) which includes Rudston, Boynton, Carnaby, Burton Fleming with Fordon, Grindale and Wold Newton.

I live in Nafferton with my wife Jenny and my two younger sons who are Matthew (13), and Samuel (16). I have three older children who are Jake at Hull University, Amy living in Guisborough, and my stepson William in Pennsylvania, USA. I teach Criminology at Scarborough TEC, practice as Psychotherapist and work for Cruse Bereavement Care.

I am excited to be working locally with both my younger children having attended Kilham School and in-laws (Rev Ray and Brenda) who are active members in the community notably Rays Voices. I am somewhat restricted in my ministry by COVID in the village but have been taking services on Zoom (at times in church) and visiting those in need where possible. I look forward to meeting those I know already in my role and new faces that I come in contact through my work in the village.

Police Emergency 999

Non-Emergency 101

Got our crops drilled for next year as most farmers have now, but of course out come the poachers looking for hares and deer. They are making the most awful mess driving all over these newly sown crops, it's so infuriating they never think where their flour comes from or how it gets there. Fortunately, our local police are usually onto them with the help from people who happen to notice vehicles driving all over where they shouldn't be. This usually happens at darkness when fortunately, our local police officers are on duty. If you see any activity with vehicles with lights on at night in the fields, ring either 999 or 101 and please report it.

There is a scam circulating at the moment. One of our neighbourhood watch coordinators received a message from a friend of his so he has passed it on to be circulated. There was a text from a certain number to ring 0909556006 and get a message from Louise, **DO NOT RING THAT NUMBER** it has been investigated and found to be a premium number that charges £6.00 per min, no doubt the message would be a long one.

Stay safe, anything we can help with, please ring.

Anita

Thank you

We are currently running the Food Bank out of the Rix Pavillion on the Driffield Showground and have been tasked by the East Riding of Yorkshire Council with preparing three Emergency Boxes (otherwise known as Boris Boxes) for each of 21 local parishes in case of a further lockdown or other emergency due to flooding, snow etc.

The boxes are intended to supply, free of charge, any person who is forced to self-isolate or shield and has no other means of obtaining groceries. The food is all ambient, should provide food for a few days, and does not require any specialist storage but owing to space we will no longer be able to store these on your behalf.

These boxes are being stored at The Poplars, Kilham until needed. If you or someone you know needs this kind of support— please contact us on 07816306503.

The food bank in Driffield is endeavouring to stay open during this crisis and bring food to those that can't access it or are struggling for any other reason.

They are giving out generic bags but offer extras like nappies, sanitary products and toiletries. You need to let them know you are coming if you plan to visit—contact 07445554006—They help anyone in isolation, alone and unable to get out.

People in debt, people whose income doesn't cover the cost of living. Those on state pension, and people who have no access to cash and are struggling because of the virus or any other reason.

Their message is DO NOT GO HUNGRY.

If you think you need help or you know someone else who does, contact the Driffield and Wolds Food Bank.

See facebook page for more details.
