Spring into Action –

Volunteers Required Sat 2nd + Sun 3rd April from 10am

Weather dependent our Spring tidy up is scheduled (updates will be through our Facebook page).

We have lots of tasks from painting or varnishing benches to raking woodchip in the willow den and scarifying the tennis courts, from clearing wildflower debris to cleaning the sand pit area. The list is long, and any help to our volunteer trustees is hugely appreciated. Refreshments will be provided.

To volunteer for any amount of time, on either day please send a message on Facebook or email kpfaevents@outlook.com.

New Trustees Required

- Would you like to give something back to your local community?
- Would you like to meet new people and join an enthusiastic team?
- Do you have 1-2 hours per week you could spare?

The KPFA offer is expanding and so must our team of trustee volunteers to continue meeting our charity objectives for the village and surrounding area. Our fundraising event success and the addition of new amenities on the field means we need extra help to manage the running of the charity. Both Vice Chair and Secretary positions are currently open.

For more information and no commitment please contact Liz Sellers kpfa2020@outlook.com or phone 07894202806

GENTLENESS IN ACTION

KILHAM RAINBOWS

The above group is presently run by Sue and Claire (mother and daughter). They would both like to finish this role in Jan 2023 and are looking for a minimum of 2 people to take over from them so that the group will not have to close.

These are voluntary positions and we would like them to join us now so that they can see how the group is run and obtain their qualifications in leadership first aid and safe space which are courses provided free by Girlguiding.

Please ring Sue on 01262420698 if you are interested and she will pass your information onto the Guiding Organisation.

KILHAM BABY & TODDLER GROUP

Calling all Mums, Dads & Carers,

We have a fantastic, fun-filled morning for babies and toddlers at the village hall in Kilham every Wednesday morning from 09.30am to 11.15am during term-time. Why not come along and meet up with other parents and carers. Have a coffee, while you and your child make lots of new friends. For more information, please call Katie Russell. 07875049777

News from Kilham School

Kilham Church of England Primary School is working very hard to re-establish important connections across the school and beyond the school that were weakened due to the challenges of the last two years. Over recent weeks, we have held our first class-based family worship, we have plans for face-to-face parents' evenings and we are excited about getting families and volunteers back into the school.

As well as reaching out into the community, we are also looking at reconnecting within the school. To help kick start this within the school we have set up a new initiative with children in Year 6 reading to the nursery and reception children in class 1. We ran this event for the first time on Monday and I was really pleased with all of our Year 6 children who embraced the session, snuggled down with the younger children and shared a book with them.

[World Book Day 2022](#)

What a busy school we have been this week with children across the school getting into the full spirit of things for World Book Day 2022. The children turned up to school last week in the most amazing costumes and with a real enthusiasm to get involved in drop everything and read activities and other class-based events. The costumes (see pictures below) looked amazing ranging from many Harry Potter's, Moomin Grandpa, Katie Morag, Gangster Granny and many more. Thanks to all of the parents who helped their children make costumes, spent the night cutting and glueing and joined in the World Book Day fun, the homemade costumes are always highly regarded by the staff because we know what busy schedules many parents have. The vouchers the children received can be spent in many book stores but the nearest one to us is the WH Smith shop in Driffield.

Congratulation to the children pictured, who were the winners of their class's best costume competition. Each child was chosen by their class teacher and received a prize of a Milkyway Easter egg, which was kindly donated by the team at Boyes Garage Kilham.

We held the first round of the federation quiz in February and had a most enjoyable evening even though the questions were not easy! Well done to the winning team; Liz, Lesley, Rosemary and Denise. At the March meeting Steven Wells told us about the strange incident of Agatha Christie It was a very interesting and informative talk. We also welcomed three visitors and look forward to seeing them again.

For the April meeting we will be decorating Easter Eggs and in May we will be having Rhythm and Rhyme with Time for a Song from Mike Smith.

Angela will be at The Star for lunch on the first Thursday of the month if any ladies care to join her.

We have heard of FOMO (Fear Of Missing OUT) but make sure you don't suffer from WIMO! (Womens Institute Missed Opportunities). Being a member of the WI is so much more than the monthly meetings, we have subgroups starting again, Lunch, Walks, Cinema etc. Plus all the events that being a part of East Yorkshire Federation of WI provides. Second Tuesday of the month in the Village Hall at 7.15 - come as a guest to see for yourself for just £5 which includes a free raffle ticket or join in April for just £44 which entitles you during the year to 11 meetings and 8 magazines as well as meeting new people and making new friends.

The computer club is in the large room behind the Star from 1pm on Friday afternoons. This is for everyone from complete beginners to those with a specific query. Gerry is usually able to sort out any problems but we all help each other when we can.

If you have any questions you can email the secretary, Shirley, at kilhamwi@eastyorkshirewi.org.uk

Kilham Neighbourhood Watch

Co-ordinator: Anita Harrison

Home (01262 420632) Mobile (07712770940)

Police Emergency 999 Non-Emergency 101

I am pleased to report nothing much happening in the village except rural crime is taking place from sheds, farm buildings and anything that is easy to steal. Make sure when not on the farm and at home, doors and sheds are securely locked.

Speedwatch are doing a great job to slow down people who can't read. We are a 30mph village and these people are often out taking notice of the speed.

Unfortunately, there is still DOG MUCK about on the pavements. The dog walkers that don't pick up their dog muck are being watched by different people so please pick up the mess and take it home. If we can be of assistance to anyone, please let us know.

Stay Safe. Anita

Willy Howe - Is it a person, a bird or is it a plane?
Well, actually, not many people know this but it is a Neolithic burial mound and one of the largest of its type in East Yorkshire. It is located between the villages of Burton Fleming and Wold Newton and, according to English Heritage, it extends to 50 metres by 40 metres. It is also surrounded by superstition and tales including much merry making by fairies.

It is sited near the flying field home of Willy Howe Model Flying Club, who are a small friendly club affiliated to the British Model Flying Association. The club fly a wide variety of fixed wing aircraft and also helicopters and drones. Since the unfortunate events involving drone flying in the airspace of commercial aircraft, the sport is now tightly regulated by the Civil Aviation Authority and flyers of all types of model weighing 250g or above must now be registered with the CAA and their models clearly marked with a unique reference number which identifies the plane's owner.

This year is a significant one for the BMFA as they are celebrating their Centenary and have a number of events planned to celebrate this milestone. One such event is a Guinness World Record attempt for the greatest number of flyers in the air simultaneously. The Club intends to support the record attempt along with many other clubs Nationally when at 12.00 on Sunday 15th May, a number of craft will be in the air and the event recorded. Only BMFA registered flyers are allowed to participate and our part in the record attempt will take place at the Willy Howe flying field.

In addition, Club members will be supporting the Easter Weekend event at the Yorkshire Air Museum at Elvington airfield and promoting the Club and the hobby to a wider audience.

Whilst the final plans are still being formulated, the Club would hope to promote itself at any appropriate local events, including those run by the Kilham Playing Field Association, which it has done successfully in the past with Club members available to show off models and answer questions with the hope of gaining the attention of younger, potential new members. We hope to be able to publish more details of further planned events in the next newsletter, but if you have any enquiries in the meantime, please feel to contact the Club Secretary, Ian Maggs, using the club's email WHMFC@hotmail.co.uk Also, if you would like to arrange to get a feel for flying a radio controlled model at our flying field, please use the same email contact and we will select a weather window and arrange a time to suit both parties.

A Word from the Curate,

Hi, I am Rev. Alan, the Curate of All Saints Church. I wrote a while ago in Kilham News and would like to take this opportunity to reintroduce myself. I have been working in Kilham and the surrounding churches since just before COVID. Hopefully we are all feeling the benefits of a 'somewhat' return to normalcy and venturing out. I'll get to meet you all at some of the 'fantastic' events that can resume back in the village.

I particularly appreciate how the Kilham village community do organise such events. I have attended a few where Ray's Voices sang, the 'once', village choir and that the atmosphere was always electric and everyone enjoying spending time together as a community.

I look forward to seeing you there this year and of course, any events that will be held at the church in the next coming months.

Rev. Alan Leach
