KILHAM DEVELOPMENT & DRAINAGE INFRASTRUCTURE SURVEY JULY 2024

Developers are proposing 41 houses on Clackna Farm site (ex Websters) on East Street, Kilham

The site is mostly in a conservation area and most of it falls into countryside land, and is close to the very rare chalk stream.

Kilham has had significant sewage and flood issues for several years. This year in particular saw sewage & general floods plus around 18 weeks of tankers leading excess water away day & night.

Recently built & proposed housing, (incl this development) will add 134 houses to those occupied when outline planning was approved in 2019. That extra development adds to the load on the existing village drainage infrastructure.

Please take this opportunity to support the interests of the village & have your say.

All responses will be in strictest confidence in line with GDPR To access the survey either

- a) Scan this QR code
- b) Go to the Kilham Parish Council Website, and on the Home Page take the link to the survey
- c) If you have no internet access. Call Geoff Christie on 01262 421815, who will note all responses.

**Please take this opportunity to have your say
and make your voice heard now!**

KILHAM PLAYING FIELDS FEEDBACK & PRIORITIES

Please take a couple of minutes give us some feedback on what further developments you want to see at the Kilham Playing Fields

Over the past couple of years the team of KPFA trustees have delivered a number of projects to the Playing Field. This has only been possible with fantastic help from volunteers along the way.

In 2023 as several of our original items of Play equipment had to be decommissioned, we added 8 new pieces of Play Equipment.

This year, we are working to refurbish 3 items of Play Equipment, and add a further 6 new items. This is as well as improving our storage facilities, and adding a new picnic bench.

As we look forward, we need your feedback and suggestions on what to do next to make our facilities even better for you and others to enjoy.

This survey should only take 2 minutes and only contains 4 single or multiple choice questions, but we really would appreciate your views.

To access the survey please scan this QR code

If you would rather send an email – contact kpfaevents@outlook.com or contact us via our facebook page.

IMPORTANT MESSAGE—PLEASE READ

At our last trustees meeting it was decided that a special plea had to go out to everyone in the village through the newsletter. We are a very small team of volunteers and all have jobs, families and other commitments.

We really need more support and help—if not—some of the events we all look forward to each year in the village will not be able to take place. Please get in touch if you can spare an hour or two each month to help organize and share the load with us, anything you can contribute will be a massive help. If you can just want to volunteer to help out at the events that we organise- contact us put your name down - every single person that can support us, in whatever way is very welcome - Please message

kpfaevents@outlook.com or call 07500056229.

Get your name down on the list now to help - as events will have to be cancelled, if we don't think we can do it safely or at a profit to run the playing fields.

PLEASE SHOUT OUT NOW AND JOIN US - HELP US MAKE OUR PLAYING FIELDS EVENTS BETTER THAN EVER.

KILHAM PARISH COUNCIL

The Parish Council welcomed two new members John Kerry and Gly Gorrard. We are pleased to announce that we have been fortunate enough to be awarded £6,125.00 to go towards replacing the cradle swing and rocker in the play park outside the Village Hall with two new pieces of equipment. To commemorate the D-Day 80th anniversary, the council has ordered a new bench to be sited on Mill Lane.

As you may be aware the planning application for the old Websters site is still on-going after recently been deferred from an ERYC planning committee, the Parish Council is corresponding with the planning officer in hope that our concerns are taken into consideration. We have also arranged a further meeting with Yorkshire Water to hear the results of the explorative work which they carried out following the flooding issues, this will be reported back to yourselves. We are also arranging a public meeting with Yorkshire Water.

We have another Curate! (trainee vicar) Hopefully we'll get to know Huw during the coming months. A few words from him:

My name is Huw Waring. I have been married to Kimberlee for almost 24 years. We have lived in Yorkshire since 2011, when we moved back to the UK from the USA, where Kimberlee was born and where I lived for 25 years. I have one son, Mark, who is married and about to produce our first grandchild! When we moved to Scarborough, we spent 10 years worshipping at St. Mary's & Holy Apostles before moving to Filey, where I became the curate in 2021. We are now a part of the Rudston benefice and are happy to be here.

A couple of things to let you know about us. I'm a self-supporting minister in full-time employment for North Yorkshire Council. I'm also autistic, which means that I approach life from a slightly different point of view. I have some sensory challenges and other quirks which make interacting with others interesting; I'm generally a friendly person, but I'm really bad at remembering names and faces. Kimberlee has several significant health issues which cause chronic pain and fatigue, so you may not see Kimberlee as much as you do me because she has little stamina. We look forward to meeting you and working with you to grow the Kingdom of God over the coming months. Rev. Huw

News from Kilham School -

Whole School celebrate the semi final victory July 12, 2024 –

Despite the final result in Berlin on Sunday, children at Kilham School did celebrate the Semi final victory over the Netherlands in school.

On Friday 12th July Kilham C of E Primary School was awash with patriotic fervour as students and staff participated in a special non-uniform day to show their support for the England football team. The school community donned red, white, and blue attire in a spirited celebration ahead of England's Euro finals match against Spain this coming Sunday.

The vibrant display of national pride included students and teachers wearing England flags, face paints, and St George crosses. The atmosphere was electric with excitement and anticipation for the upcoming game.

Traditional Sports Day at Kilham School: A Day of Fun and Competition

Kilham School held its much-anticipated traditional Sports Day on Monday 8th July, and the weather couldn't have been better. Under sunny skies, students, parents, and staff gathered on the school's sports field for a morning filled with excitement and camaraderie.

The day kicked off with classic events like the egg and spoon race, the sack race, and the bean bag race, bringing out the competitive spirit in everyone. The cheers from the side-lines were deafening as students enthusiastically supported their teammates, creating an atmosphere of encouragement and team spirit. In addition to these traditional races, there were also individual sprints and a thrilling team relay race for children in Key Stage 2. Each event showcased the students' athleticism and determination, with many close finishes and impressive displays of sportsmanship.

When all the races were completed and the points tallied, the green team emerged victorious, scoring an impressive 157 points with the red team in second place with 141 points. Their win was met with loud applause and celebrations from team members and supporters alike. Overall, Kilham School's traditional Sports Day was a resounding success, marked by good weather, enthusiastic participation, and a wonderful community spirit. The event not only highlighted the importance of physical activity but also reinforced the bonds between students, parents, and staff, making it a memorable day for everyone involved.

Happy Summer Holidays to everyone!

We had a very interesting talk by Denise Davies at the June meeting. She took us on a journey to India with one of her travels and textiles talks.

In July we had varying degrees of success with the paper flower making but everyone had a great deal of fun. Liz Lambert was very patient with those of us who are not very "crafty".

We meet on the second Tuesday of the month in the Village Hall at 7.15 and are always happy to welcome visitors.

Angela will be at The Star for lunch on the first Thursday of the month at noon if any ladies want to come along. Even if you are not a WI member why not come and join us.

We also had a lunch at Wolds Village at Bainton and will be having an Afternoon Tea in August.

This month we also held one of the Federation quiz semi-finals and congratulations go to the Kilham team who got through to the final.

The Federation Roadshow at the Village Hall on 19th June was a success with representatives from several local WIs attending
